FLORIDANS FLEE DONNA

CUBA IS HIT HARD

Miami People Lay In Big Supplies

Miami, Fla. (AP) — Hurricane Donna, a savage tropical storm whose 150 mile an hour winds are responsible for at least 116 deaths, turned slightly northward late Thursday, portending a push of its destructive winds farther into south Florida and the keys.

The Miami Weather Bureau said the present course, barring further turns, would carry the storm through the Florida straits, slightly closer to Key West than to the Cuban coast.

Strong winds and high seas have already begun to lash Cuba's northeast coast and hurricane force winds will damage both Cuba and the keys Friday.

Donna increased slightly in size Thursday night. Hurricane force winds now extend outward about 135 miles in the northeast semicircle, ahead of the eye, and gale winds extend 250 miles in the northeast semicircle.

City 'deserted'

Key West took on a deserted appearance as hundreds of persons fled north to the mainland.

At Miami, most stores stayed open until at least 9 p.m. as swarms of shoppers cleaned shelves of flashlights and batteries, candles, camp stoves, canned goods and lumber for storm shutters.

The first hard blows from Donna were felt in Cuba Thursday night as the northeastern coast was lashed with furious winds and pounding seas.

The National Institute of Agrarian Reform reported from Holguin in Oriente Province that flood waters destroyed about 80 houses in the coastal community of Gibara. More than 3,000 persons were evacuated from Gibara.

The eye of the hurricane is expected to pass between Havana and Key West.

Punches At Key West

At Key West, the first gusty winds and periodic rain squalls were reported just after dark. The Miami Weather Bureau said the first squall from Donna blew in at 8:20 p.m. with gusts to 46 mph.

Airline travel out of Miami International Airport, one of the world's busiest, slowed as most airlines cancelled all flights after midnight.

Hurricane warning flags flew from the northern coast of Cuba through Key West to Key Largo, 40 miles south of Miami. Gale warnings were hoisted from Key Largo northward through Miami to Vero Beach, just south of Cape Canaveral.

Hurricane winds exceed 74 miles per hour, gale winds are considered above 39 mph.

Highway Jammed

Thursday evening the overseas highway to Key West was reported jammed with hundreds of residents fleeing northward. Special contingents of the Florida Highway Patrol were dispatched to clear the jam.

Highest winds in the Greater Miami area were expected not to exceed 50 to 60 mph during the forenoon Friday.

Abnormally high tides ran ahead of the storm and residents of low-lying areas, substandard housing and trailer houses were warned to seek refuge elsewhere.

Reports of heavy damage began to come in from the southeastern Bahama Islands, across which the 150-mile-an-hour storm raced Wednesday and Thursday.

'LEFTY' LUMUMBA TELLS U.N.—

'Be Sociable Or Move On'

. . . GETS VOTE OF CONFIDENCE

Leopoldville, The Congo (AP) — Backed by a smashing senate confidence vote, Premier Patrice Lumumba called the U.N. forces to get out of the Congo unless the United Nations changes its policies.

He accused the U.N. of obstructing his government by closing airports and radio stations and denounced what he called a campaign of hate against the Congo.

Lumumba told a news conference he had sent a telegram to Secretary General Dag Hammarskjold asking that the next session of the U.N. Security Council be held in Leopoldville.

He thanked the Soviet Union "sincerely for the help it has given to the Congo" and assailed a list of actions by the United Nations.

Lumumba's main immediate difference with the U.N. is over the fact that U.N. forces hold Congo radio stations and airports.

The U.N. command said it had decided to exercise more effective control under its mandate from the security council because of the growing crisis.

What's Next Move?

There was no immediate indication as to Lumumba's next move but it was believed that any move to take the radio station or the airfields by force would meet with U.N. resistance.

Lumumba met with newsmen shortly after he won over an angry senate and got a 41-2 vote of confidence from the lawmakers.

The senate action apparently emboldened him for a showdown with the U.N. force in the Congo. He has threatened in the past to seek withdrawal of U.N. units and has blown hot and cold on U.N. efforts in the Congo.

After the senate vote, a Lumumba supporter shouted, "heads will roll now."

Lumumba threatened to "break off relations with the United Nations, Great Britain or any other country" if the "campaign of hate against the Congo" does not cease.

In his appearance before the senate, the lanky, left-leaning premier wooed the lawmakers from noisy hostility to virtually unanimous support in a 2½-hour speech, pegged to accusations against Belgium and U.N. Congo operations.

Guinea Boss Supports Russ Congo Stand

Moscow (AP) —Premier Nikita S. Khrushchev and Guinea's President Sekou Toure—an African favorite of the communist bloc—demanded immediate evacuation from the Congo of what they called imperialist agressors. They did not identify the aggressors.

Their declaration was in a joint communique signed at the end of Toure's official visit to Moscow as a VIP.

The joint announcement was regarded here as the first Soviet success in gaining support from an influential African leader—outside the Congo — for Russian policy on the Congo.

Swung Red

Although Toure has proclaimed himself a neutralist, his country has swung toward the communist bloc since gaining independence from France in 1958.

The communique announced Toure would head the Guinea delegation to the U.N. General Assembly session in New York beginning Sept. 20. Toure thus fell in line with Khrushchev's suggestion that as many chiefs of government as possible meet at the U.N. to discuss disarmament.

Wife Thinks Brooks Will Stay In Race

Mrs. Ralph Brooks said Tuesday she believes her husband will remain in the race for the U.S. Senate.

She made the comment following a visit with the governor at Lincoln General Hospital where he has been hospitalized since August 23 with a heart ailment.

His condition remained unchaged Thursday and he is still listed as being in "serious" condition.

The governor has until 5 p.m. Friday to withdraw as the Democratic candidate for the Senate seat.

Mrs. Brooks was asked if she knew what the governor planned to do about the deadline, and she replied, "I don't think he intends to do anything about it."

Grubbs Asks That Insurance Society Be Put Under Court Jurisdiction

By Betty Person

State Insurance Director William E. Grubbs Thursday asked Attorney General C. S. Beck to institute action which would place Woodmen of the World Life Insurance Society under jurisdiction of the courts.

Grubbs asked that quo warranto proceedings be instituted "for the purpose of preserving the assets of the Society until a meeting of the Sovereign Camp of the Society can choose between the various factions seeking control" of the fraternal insurance society.

The insurance director said it would be Monday before it would be possible to get a reply from Beck on whether he will take the action, but added he thinks "it (Beck's opinion) will be favorable to the position of the (Insurance) Department."

In a letter to the attorney general, Grubbs outlined several matters as the basis for his request and told reporters the incidents amounted to the insurance society's "in effect flaunting the authority of the State of Nebraska."

'To Prevent Dissipation'

In his letter, Grubbs asked that the Insurance Department "or such other choice as the court may make," be placed in charge of the society "in order to prevent the surplus and assets of the society from being dissipated as a result of the internal struggle for power."

Examples cited by Grubbs included additional salaries being paid to "at least two directors, i. e., one part-time director receives $8,000 annually as an auditor and $7,000 annually as an assistant director of fraternal activities."

"Another part-time director receives $8,000 as auditor and $12,000 as director of Latin-American Camps," Grubbs said.

"These two examples and others have resulted in the fact that the current authorized annual salaries for 19 members of the Board of Directors (only 15 having the right to vote) is $392,000, according to the examiner's report," Grubbs said.

In his letter Thursday, Grubbs said although a number of recommendations of the Department have been followed, others have not.

It was noted that an agreement had been reached to have a special meeting of the Board Sept. 19 with the Insurance director to complete working out the compliance of the company with the previously made recommendations of the Department, but the meeting has been called off.

Statement Quoted

Grubbs then gave reporters a copy of remarks included in minutes of a society's board meeting in which Director Daniel D. Macken of Omaha was quoted as saying:

"Grubbs supported the wrong man in the election in Nebraska, electing a Democrat. This man he supported did not get the nomination. It is conceded by all in Omaha, Nebraska that I have talked to who have knowledge of politics that Mr. Grubbs will not be the commissioner in Nebraska after the end of the year. So I think Mr. Grubbs opinion of whether this is good or bad actually has no effect as far as the Insurance Department of the State of Nebraska is concerned."

Grubbs supported Robert Conrad in the Democratic gubernatorial contest in the May primary. Frank Morrison won the nomination.

Of Macken's comments, Grubbs said, "I have no knowledge as to whether or not I will be the director of insurance of the State of Nebraska after the next administration takes office.

"But until a new director of insurance is appointed, I shall fulfill the oath of office I took upon my appointment to impartially uphold the laws of the State of Nebraska, and I shall continue to do so irrespective of any political or economic pressure which this society or any other society or company might bring to bear," Grubbs stated.

Johnson To Speak At NU Convocation

Democratic vice presidential nominee Sen. Lyndon Johnson will speak at a University of Nebraska convocation in Lincoln Sept. 21.

Johnson

Johnson will also hold a late afternoon press conference and a public reception at the Cornhusker following his University address. The speaking appearance is slated for 3:15 p.m. at the Nebraska Student Union ballroom.

Johnson will come to Lincoln following a public affairs luncheon address before the Omaha Chamber of Commerce.

Announcement of the senator's Lincoln schedule was made Thursday by Lancaster County Democratic Chairman Frank Golden.

University of Nebraska Young Democrats, headed by President Don Ferguson, are sponsoring the Johnson visits to the NU campus.

The senator's Omaha trip was arranged by National Committeeman Bernard Boyle.

Mrs. George Abdouch of Omaha, executive director of the Kennedy-Johnson campaign in Nebraska, is serving as co-ordinator for the visit.

Cornerstone Dedication For Kellogg Center To Be Oct. 13

The cornerstone dedication ceremony for the Nebraska Center for Continuing Education will be held Oct. 13, University of Nebraska Chancellor Clifford Hardin announced Thursday.

Dr. Maurice Seay of the Kellogg Foundation — which granted $1.5 million to the University for construction of the facility—will participate in the ceremonies.

The $3 million center, under construction at the College of Agriculture, will be ready for use by next June, Hardin said.

Contractors plan to turn the plant over to the University by April, he pointed out.

Work has been progressing "pretty well," the chancellor told the Board of Regents. It is "on schedule," Hardin said.

The center is designed to update professional training, and stimulate vocational education.

It will play host to various state conferences and activities.

Plans are already underway to hold 1960 Boys State (and, possibly Girls State) at the 9-story facility.

Hardin said the University has received "a tremendous list of reservations" for use of the center.

Meanwhile, Hardin said work on the $3 million Sheldon Memorial Art Gallery and the adjoining Nelle Cochrane Woods Building is "coming along fine."

The latter will be a $250,000 structure.

Top 4-H Baby Beeves Draw 54c Per Pound

. . . Shultz Doubts Fair Attendance Record Will Be Broken

By Del Harding

The 7 top steers at the 4-H baby beef auction were purchased by the Cornhusker Hotel in the highlight of the State Fair program Thursday.

A bid of 54c a pound took the purple ribbon steers and it marked the 30th straight year the Cornhusker has purchased the top steers.

Fair Attendance drew to within only 22,000 of the 1958 record total of 328,000 but Fair Board Secretary Ed Schultz said he doubts the record will be broken.

Revised Estimates

He said he probably will revise downward some of this week's daily attendance estimates and the final overall total probably won't reach 328,000.

Schultz estimated Thursday's crowd at 37,000, the same as the 1959 Thursday total.

The Cornhusker's winning bid of 54c for the steers compares with the open market price this week of about 25c. A bid of 50c took the 10 steers in the purple group in 1959 and the 1958 group went for 46½c.

The gross price for the 7 steers was about $3,780 compared with the $5,089 for the 10 steers last year.

The purple ribbon group of 10 market heifers went to Miller and Paine department store for 42c a pound. This was 2c over last year's top for 6 purple ribbon heifers.

The gross to the heifer owners was about $3,948 compared with $2,224 last year.

Nancy Miller, 13, of Elmwood, withdrew her Shorthorn market heifer from the auction, apparently for breeding use. Hers was the only one of this year's purple ribbon group of steers and market heifers not sold.

Returns to the 7 steer owners:

Carolyn Peterson, Holdrege, $570.
Jerry Larson, Funk, $540.
Donna Lavicky, Seward, $511.
James Gunther, Broken Bow, $482.
Roger Semler, Dorchester, $599.
James Broberg, Loomis, $538.
Bernie Phifer, Mason City, $535.

Returns to the 10 heifer owners:

Gary Sandsted, Holdrege, $413.
David Pelster, Bartlett, $428.
Jerrold Hibbs, Smithfield, $405.
Gary White, Lexington, $428.
Daryle Vollmer, Howells, $359.
Mary Biere, Auburn, $371.
LeRoy Meiergerd, West Point, $369.
Gordon Schlechte, Waco, $403.
Garry Reiling, Seward, $375.
Karen Crays, Tobias, $392.

In all, 306 head of 4-H beeves were sold, including 17 purple ribbon winners, 78 blue ribbon winners, 167 red ribbon winners and 44 white ribbon winners.

Topping the Future Farmers of America program Thursday was the awarding of sweepstakes trophies to chapters which had the best records in the various judging divisions.

The Waverly chapter won the beef breeding award. Other trophies went to Harrison for dairy, Kearney for sheep, Plattsmouth for swine and West Point for farm mechanics.

Ends Friday

The fair will wind up Friday with two Grandstand shows as the main activity. There will be no gate charge after 12 noon.

The 125-mile stock car race is the afternoon attraction with time trials set to start at 1:30.

Aut Swenson's auto daredevils perform in the evening starting at 7:45.

KENNEDY CONTENDS:

'Do Nothing' GOP Policy

Oakland, Calif. (AP) — Sen. John F. Kennedy came into Vice President Richard M. Nixon's home territory Thursday night and contended that the Republican party has a do-nothing policy.

"In the past 8 years," said the Democratic presidential nominee in a prepared speech, "the Republican party has not proposed one single constructive new program to increase the welfare of the American people—not one new move of benefit to all the people, or those who need it most—and they have hampered, opposed and obstructed every Democratic effort to deal with our urgent needs."

Bids For Votes

Kennedy took to a campaign train for his invasion of California and a bid for this state's big 32 electoral votes.

And over and over again, at each whistle stop, he repeated the theme that he wanted to beat Nixon on his home grounds.

At Oakland, Kennedy said: "Children, the jobless, minority rights—that is the story of the Democratic party.

"But the story of the Republican party is a different kind of story."

'Not Changed'

Kennedy claimed the Republican party has not changed.

"The Republican party we face this November," he said, "is the same party we have always opposed".

For a half century, Kennedy said, the GOP "has opposed every single progressive measure which has been designed to improve human welfare and reduce human misery.

"This is the party which opposed the introduction of Social Security—and then ran a campaign to repeal it."

Dag Warns Belgium Not To Interfere

U.N. Council Set To Tackle Congo Puzzle

United Nations, N.Y. — Secretary General Dag Hammarskjold Thursday delivered a stern warning to Belgium that interference in the internal affairs of the Congo was a violation of Security Council decisions binding upon all U.N. members.

The warning was addressed to Ambassador Walter Loridan, Belgian U.N. delegate, as the Council prepared for emergency discussions to clarify the U.N. role in the troubled African country.

Hammarskjold was under sharp attack from Congo Premier Patrice Lumumba, from the Soviet Union and from Yugoslavia. He in turn was pressing for new Council steps to halt the flow of outside to the warring factions.

Saturday Session Likely

U.N. officials said the council probably would meet Saturday in a session which might last into the night.

In his latest communication to the Belgian government, the secretary general said he had received confirmed reports that 9 tons of weapons were unloaded Wednesday from a Belgian Sabena Airlines plane at the Elisabethville airport in the secessionist province of Katanga.

Hammarskjold asked the Belgian representative to tell him whether the Belgian government had authorized the sending of weapons to the provincial authorities.

"Should this be the case," Hammarskjold said, "the secretary general would consider it necessary to make a formal serious protest."

U.N. officials announced Hammarskjold had received a cable from Lumumba inviting the Security Council to meet in Leopoldville. There was no comment, a spokesman said.

Talks With Reds

During the afternoon Hammarskjold conferred with Soviet Deputy Foreign Minister Vasily Kuznetsov and Yugoslav Ambassador Dobrivoje Vidic, both of whom have been critical of U.N. policies in the Congo.

Under a drumfire of criticism from Moscow Radio and the Soviet Tass agency, he insisted anew that the U.N. operation in the Congo must remain non-partisan and proposed disarming non-U.N. military units in the country as a step to restoring order.

Rolling Car Smashes Kaar Service Window

A car rolled down the alley and broke a rear window of the Kaar Service garage at 1821 N, police reported Thursday. Damage was set at $65.

Police said Mrs. Loydene Taylor of 211 So. 28th had parked her car in the alley behind the garage. She returned later and found her car had rolled, police added.

5 Purple Ribbons Given Top 4-H 'Share The Fun' Acts

Five purple ribbons were awarded Thursday night to the highest rated acts in the state 4-H "Share the Fun Festival" at the State Fair.

Also handed out were 4 blue and 3 red ribbons.

The purple ribbon-winning "4-H Top Hatters" act staged by Saline County's Happy Helperettes club was singled out for special recognition when the group was invited to take part Sept. 18 in 4-H interstate competition in St. Joseph, Mo.

Other purple-ribbon acts were:

"On 4-H Island" by the Chefs and Designers club of Stanton County.

"That Wonderful Year" by the Deer Creek club of Madison County.

"4-H Behind the Scenes" by the Shining Horn club of Dodge County.

"Neighbors — Near and Far" by the Blue River Champs and Hanover Honeys clubs of Adams County.

Garnering the 4 blue ribbons were these acts:

"A Cow Tale" by the Northeast Toppers club of Lancaster County.

"Star Dreams" by the Merry Mixers club of York County.

"Lazy Bones Dream" by the Red Willow Boosters club of Red Willow County.

"Steps to Progress" by the Busy Girls club of Rock County

Taking home red ribbons were these 3 acts:

"Rockets Mambo" by the Rockets club of Loup County.

"Three Little 4-H Pigs" by the Junior Young Homemakers club of Hayes County.

"A 4-H Dream" by the Sunflowerettes club of Scotts Bluff County.

Cooling Trend Is Predicted To Continue Friday

Light rain showers and thunderstorms accompanied by a mass of cool air penetrated Nebraska Thursday bringing relief from a long spell of hot, humid weather.

The mercury dropped to 49 at Sidney and Scottsbluff, with Beatrice reporting the state high of 80.

Lincoln reported a high of 79. The Capital City received .01 inch of rain early Thursday and a trace during the day.

More cool weather is anticipated Friday with temperatures generally in the lower 70s and 65-75 in the panhandle.

Cloudy skies and drizzle were predicted for the panhandle Friday morning with the clouds expected to disperse by Friday night.

Police Seek Speeder Who Collided With Transformer

Police are searching for the driver of a stolen car who led a cruiser on a 23-block chase before the car smashed into a power transformer at about 34th and Y early Thursday morning, doing about $5,000 damage to the transformer.

Lt. Bob Myers was driving along O St. about 3:20 a.m. when he saw a car at 21st and O which appeared to be speeding. He began following the car and it speeded up and ran several stop signs.

The car turned onto 22nd St., then onto Y St. where Myers clocked it at about 70 m.p.h. between 22nd and 27th on Y.

Collision

Myers lost sight of the car as it went over a rise at 32nd and Y but a few minutes later found the car had smashed through a chain-link fence into the power transformer at about 34th and Y.

While radioing headquarters, Myers saw a man crawl from the wreckage and disappear behind a house.

Other officers came to the scene to search for the driver and a few minutes later Officer Al Kelly spotted a man walking along the railroad tracks south of 34th and Y. Kelly pulled his gun and ordered the man to turn around.

Strikes Officer

As the man did he struck Kelly in the face with an oily shirt he was carrying and ran. Kelly chased him through Peter Pan Park but lost sight of him after firing two shots at the fleeing figure.

Kelly described the man as about 20, 5-9, weighing about 145 with blond hair. The shirt had apparently become saturated with oil from the wrecked car.

Police believe the man may be injured but a check of hospitals has failed to locate him.

Police found the wrecked car belonged to Roy Toland of 3328 O and had been stolen from Toland's home. Toland did not know the car was gone until notified by police.

Otto Gets Boost From Morrison

. . . For Lt. Governor

Frank B. Morrison, Democratic candidate for governor, said Thursday he would favor State Sen. Norman A. Otto of Kearney as a nominee for lieutenant governor replacing Edward A. Dosek of Lincoln.

Morrison said Otto "ought to make the race."

Otto came in second in the Democratic primary race for lieutenant governor, and the nominee, Dosek, withdrew Wednesday, some days after his insurance broker's license was revoked by the state.

The Democratic central committee will meet Saturday in Lincoln to appoint a replacement.

5-State Park On Missouri Is Proposed

State Game Commission Director Mel Steen has proposed that 5 states join together to establish a 540-mile national or inter-state park on the Missouri River.

Steen said Thursday he has presented the idea to officials of Iowa, South Dakota and Kansas, as well as U.S. Park Service and Corps of Engineers personnel, and that all have indicated interest.

The fifth state he is considering as participating in the project is Missouri, Steen said, adding that he was sure it would "go along" with the idea.

Under Steen's proposal, the park would begin where the river leaves South Dakota and extend to Kansas City.

The concept, he said, involves making a park of the river itself and developing alongside the river, in locations where potential exists and the need is indicated, public use areas of various types.

He suggested boat launching ramps, parking lots, marinas, public hunting and fishing grounds and waterfowl refuges.

Lone Negro Integrated In Houston

. . . First Grader

Houtston, Tex. (AP)—A schoolteacher's son Thursday became the first Negro to attend school with white students in what had been the nation's largest segregated school district.

Tyronne Raymond Day, 6, entered a first grade classroom at the Kashmere Gardens elementary school at 9:02 a.m. and met the teacher, Miss Marie Frygley, and about 30 white classmates.

He was the first Negro child to qualify and enroll under Federal Judge Ben C. Connally's order that the 170,000-student Houston district begin a grade-a-year integration plan with the first grade this fall.

Applications also were filed by 21 other Negores seeking to enter white schools. Of the 21, school authorities ruled 11 ineligible. Applications of the other 10 still were under study.

Tyronne's enrollment was made without advance announcement. School authorities earlier indicated no Negroes would enter previously all-white class rooms until Monday.

Entrance Torn From 3560 So. 48th Clinic

The plate-glass and aluminum entrance to the Norman-Ochs Clinic at 3560 So. 48th was pulled away from the building by a truck Thursday, police reported.

The Neylon Bros. truck, driven by R. B. Shaw of the Sam Lawrence Hotel, collided with the entrance, police said.

Damage was estimated at near $1,000, police added.

Fire Damages Lumber North Of 1749 Whittier

Firemen put out a blaze Thursday that scorched and charred several pieces of lumber stored on a lot north of 1749 Whittier.

The fire, fanned by a brisk northerly breeze, started from trash burning too close to used lumber, firemen said.

RB47 Fliers' Freedom Is Sought By U.S. Navy

Moscow, (AP) — U. S. Ambassador Llewellyn Thompson talked with Nikita S. Khrushchev for 90 minutes Thursday on the eve of the Soviet premier's departure for the United Nations. Among the subjects discussed was tthe case of two imprisoned American fliers.

Newsmen got the impression Thompson made little headway in obtaining their freedom, one condition for any new meeting between Khrushchev and President Eisenhower. The ambassador declined to go into details about the meeting, but told newsmen:

Thompson

"We discussed matters of interest to both governments, including the detention of two RB47 fliers."

Shot Down July 1

Soviet fighter planes shot down an American RB47 reconnaissance plane July 1 and the Russians announced two members of the 6-man crew had been captured alive: 1st Lts. Freeman Olmstead of Elmira, N.Y., and John McKone of Tonganoxie, Kan.

At a U.N. Security Council meeting in July the Soviet Union accused the United States of aggression in sending out the RB47 and announced Olmstead and McKone would be tried for espionage. The United States said the plane was on a scientific mission and was shot down in Arctic waters outside Soviet territory. The Russians vetoed a plan for impartial investigation of the incident.

Eisenhower has insisted that the two airmen must be freed and other unspecified conditions met before he could consider a meeting with Khrushchev at U.N. Headquarters.

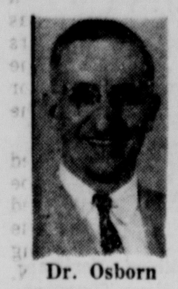
Children's Clinic Post To Dr. Osborn

NU Institute Set To Open This Month

The new head of the Carl and Caroline Swanson Children's Clinic at the Nebraska Psychiatric Institute in Omaha was announced Thursday by the University of Nebraska's Board of Regents.



Dr. Osborn

Dr. Leslie Osborn, a native Australian, was also appointed in the department of neurology and psychiatry at the College of Medicine.

The Clinic is scheduled to open some time this month. The Institute is operated jointly by the Regents and the Board of Control.

Dr. Osborn has served as professor of psychiatry at the University of Wisconsin and director of the Wisconsin Psychiatric Institute for the past 10 years. He also has served as professor and head of the psychiatric department at the University of Buffalo and child psychiatrist of the Edward J. Meyer Memorial Hospital in Buffalo.

He came to this country in 1931 after interning at Melborne General Hospital. He was certified by the American Board of Neurology and Psychiatry in both neurology and psychiatry in 1944.

In other appointments, the Regents approved:

Bernadine Johnson, assistant professor at Purdue University since 1954, as assistant professor of vocational education.

James Stallings, assistant professor at New Mexico State University since 1958, as assistant professor of agricultural economics.

Jerry A. Warren, staff member at Cornell since 1959, as assistant professor of horticulture and forestry.

Raymond H. Haggh, associate professor at Memphis State University since 1950, as assistant professor of music.

The board also accepted 47 resignations, including: Dr. Gertrude Chittenden, associate professor of home economics, because of illness; F. A. Gowen, assistant professor of horticulture and forestry, who will be a technical adviser in western Nigeria; John B. Minick, assistant professor of business organization and management, who has accepted a similar position at Marshall College, W. Va.; Dr. Charles E. Richards, associate professor of internal medicine, who will return to Thailand under the International Cooperation Administration; and Robert G. Simpson, assistant professor of entomology, who accepted a position at Colorado State University.

The board also approved the retirement of E. M. Brouse, a member of the agronomy staff since 1918; P. A. Downs, a member of the dairy husbandry staff since 1923; Clara Evans, a member of elementary education staff since 1928; and Vera Warner, a member of College of Medicine nursing staff since 1943.

IKE RETURNS

Washington (AP) — President Eisenhower returned to Washington at 3:30 p.m. (EDT) Thursday, after a 7-hour trip to Huntsville, Ala., to dedicate the George C. Marshall space flight center.

The smiling President stepped out of the presidential plane Columbine, climbed into an Army helicopter, and immediately took off for the White House, landing there minutes later.

McCreight New Acting Head Of NU Elementary Education

Dr. Russell W. McCreight was named acting chairman of the department of elementary education Thursday by the University of Nebraska's Board of Regents.

He replaces Dr. A. Madison Brewer, who accepted the departmental chairmanship at Pennsylvania State University.

A native of Endicott, Dr. McCreight has been a member of the University staff since 1950. The 49-year-old educator taught rural school for 4 years before teaching at Diller from 1932-38.

From 1939-44, he served as county superintendent of Jefferson County. Immediately adter World War II, he was training officer of the Veterans Administration for two years.

Degree Dates

He received his Bachelor of Arts degree from Peru State Teachers College in 1937; his Master of Education from University of Nebraska in 1952; and his Doctor of Philosophy degree from State University of Iowa in 1955.

The Board also accepted 47 resignations, and approved 7 leaves of absence.

Appointments of 54 new personnel were also approved.

Sixty-six adjustments in work were okayed, and the retirement of 6 persons was approved.

In other action, the Board approved the promotion of 4 instructors to assistant professors. They are:

John W. Dooley of the School of Journalism; Paul A. Landolt of physiology; Louis H. Leiter of English; and Robert E. Stepp of school administration.

Brooks Hails Settlement By Norris, CPPD

Governor Ralph Brooks Thursday evening issued a statement hailing the settlement of the dispute between Consumers Public Power District and the Norris Rural Public Power District.

"Every Nebraskan interested in a coordinated public power program in our state should be happy to learn of the settlement of the dispute between Consumers Public Power District and the Norris Rural Public Power District and that their protracted litigation is now concluded," he said.

"This action on the part of these two outstanding public power instrumentalities, coupled with the cooperative effort of Nebraska Public Power System and 27 REA's, which recently resulted in the dedication of the new 230 KV line from Fort Randall, provides a pattern for future public power activity in this state which may well bring to an early end the provincial disputes which have clouded the steady, effective and economical expansion of this great Nebraska resource to all Nebraska farmers, businessmen and expanding industrial economy," the governor said.

Penn RR Peace Is Looming

Quick Settlement Of Strike Talked

Philadelphia (AP)—A federal mediator Thursday night summoned union and Pennsylvania Railroad bargaining committees to a meeting Friday morning after indicating the two sides were closer than ever to an agreement to end an 8-day strike.

"We're closer together now," declared Francis A. O'Neill, chairman of the National (Railway) Mediation Board, after a two-hour meeting with union negotiators.

The chief negotiator for the two unions on strike also expressed some optimism, saying some progress has been made.

"The Pennsylvania Railroad is moving in the right direction," said Edward W. Wiesner, chairman of the System's Federation Union.

It was the first word from the unions since the railroad earlier submitted counter-proposals to the so-called "rock bottom" offer of the System Federation and Transport Workers.

NU Professor To Get Year's Study At German School

Dr. Robert B. Johnston, associate professor of chemistry, Thursday was given a year's leave of absence, effective next February, by the University of Nebraska Board of Regents for study at the Max Planck Institute for cellular chemistry at the University of Munich, Germany.

The Nebraskan was awarded a special fellowship by the Surgeon General of the Public Health Service.

His research project will deal with enzymes involved in metabolic processes and the biosynthesis and function of vitamins.

A native of North Platte, Dr. Johnston will study and conduct research with Dr. Feodore Lynen, one of the foremost biochemists in the world. At present, outstanding biochemists from all over the world are working in Dr. Lynen's laboratory.

44 Register For Lincoln UCW Missions Institute

Forty-four persons registered Thursday for the annual missions institute, sponsored by the Lincoln United Church Women, which began the first of a series of 6 sessons Thursday morning at St. Paul Methodist Church.

The first 3 sessions, entitled "Heritage and Horizons in Home Missions," are being taught by the Rev. Carroll H. Lemon, executive secretary of the Lincoln and Nebraska Council of Churches. These will be held Sept. 15 and 22 from 9:15 a.m. to 11:30 a.m.

The second course, to be held Sept. 29, Oct. 6 and Oct. 13, is entitled, "Into All the World Together," and will be taught by Dr. Ethel Booth, retired member of the Nebraska Wesleyan faculty.

Mrs. Ratekin Is Ready For 107th Birthday

Falls City (UPI) — Mrs. Eunice Ratekin isn't going to have a birthday celebration Friday. After all, she's had 106 birthdays already.

Mrs. Ratekin, the oldest resident of Richardson County and one of the oldest persons in the state, is looking forward to the birthday, however, because one of her male admirers is going to send her a letter. A Mr. Eisenhower who lives in the White House in Washington has sent her birthday greetings every year recently.

Mrs. Ratekin, who lives with her son-in-law and daughter, Mr. and Mrs. Charles Maze, 6 miles southwest of here, has been in good health most of her 106th year.

But she did suffer an ankle sprain last month and it hasn't completely mended. Because of that ankle sprain and the fact that previous birthday dinners and their accompanying activities all but exhausted her, Mrs. Maze is calling off a formal celebration.

But Mrs. Ratekin would still enjoy visitors. Her daughter said Mrs. Ratekin loves to recite poetry for friends.

The hot weather is a little rough for Mrs. Ratekin, but when it's cool enough, she still crochets rugs.

Minister's Wife New Thayer Co. Dist. Court Clerk

Lincoln Star Special

Hebron — A Deshler minister's wife, the mother of 7 children, is the new clerk of the Thayer County District Court.

The Thayer County commissioners have accepted the application of Mrs. E. C. Werner to fill the vacancy created by the resignation of Pauline Yost, District Court clerk for the past 10 years.

Mrs Werner is the wife of the Rev. E. C. Werner, pastor of St. Peters Lutheran Church in Deshler. The Werners have 7 children, the oldest 12, the youngest two.

Miss Yost will be employed in the office of County Attorney Leonard Germer after Oct. 1

Siamese Twins Born In Illinois

Du Quoin, Ill. (AP)—Siamese twin girls were born Thursday in Marshal Browning Hospital to Mrs. Gary Degenhardt.

Arthur Allaben, hospital supervisor, said the infants, joined at the chest, were "doing all right." They weighed about 5½ pounds each, he said.

The Degenhardts, both in their 20s, live in Collinsville, Ill. They have no other children. Degenhardt works in the treasurer's office of the Wabash Railroad.

HERDSMAN HONORS TO POLK COUNTY

Polk County exhibitors in the 4-H Dairy Show took top herdsmanship honors at the Nebraska State Fair.

By winning the only purple ribbon in the competition, the Polk County group went home with a trophy donated by the Nebraska State Fair Board and a pair of clippers donated by the Cooper Foundation of Lincoln.

According to P. H. Cole, assistant superintendent of the 4-H Dairy Show, dairy herdsmanship is judged on the basis of: cleanliness of stalls, courtesy of the exhibitors, cleanliness of the alley behind the cows, and overall presentation of the exhibit.

Blue ribbons were awarded to these county groups: Dakota, Dodge, Douglas, Pawnee, Saline, and Sarpy.

Since the Lancaster County exhibit is not eligible to compete due to the fact the fair is in the county, each club was rated individually. Blue ribbons were awarded to the dairy exhibits from these Lancaster County clubs: Rocaby 4-H, Sunshine Dairy, and Hilltop Aggies.

Security Alarmists

By WILLIAM O. DOBLER

Congress and the nation seem to be heading for another big round of tracking down would-be traitors to the nation. The current security crisis stems from the defection to Russia of two code division employes of the Defense Department, hired under the auspices of the Pentagon and the Central Intelligence Agency.

The two men who escaped through Cuba to Russia took with them valuable secrets on the U.S. code system for communications on an international basis. This involves a double loss for the nation. Information which Russia has accumulated but been unable to decipher can now become useful to them through the knowledge of the two traitors. Secondly, a new code system will have to be established and this is a costly and time-consuming business. Also important at this point is how such personnel risks ever came into being.

Two-Fold Loss

It is correct to say that any so-called sensitive defense position should not be filled without careful screening of all prospects. Obviously, such screening has not been adequate in the past and it should be tightened up at this point. In all respects, the case of Bernon F. Mitchell and William H. Martin, the two turncoats, is not a pleasant one.

But it takes but little thought to remember the days of Sen. Joseph McCarthy and the witch-hunting which became his stock in trade. Vice President Richard Nixon, then a senator, was also deeply involved in the early GOP efforts to scandalize the Truman administration because of Communists in government posts. But from a reported list of thousands of card-carrying Commies came practically nothing.

★

Many reputations were ruined and the GOP reaped a political harvest but the country was done no service. It would be a sad thing if the time of Congress was again taken up with the question of disloyal people in high government jobs. This is, as President Eisenhower appears to believe, an administrative function, even though those who consider it as such were of another mind 10 years ago. What has happened isn't good but it can be made worse by stretching it clear out of its natural proportions.

The fact that two men, now believed to have been mentally unbalanced and possibly sexually deranged, proved to be traitors does not mean that the nation is suddenly going to the dogs. For every one of this kind of man, there are thousands of loyal, devoted, hard-working government employes. The real question at this time is how close to perfection we can expect to get. No political system is run any more tightly than is the Communist system and yet, there are defections from it.

★

We may find it difficult to understand but the Russian people are just as loyal to their country as we are to ours. A traitor to them is the same as he is to us but they still manage to produce one now and then. It would, in fact, be a most unusual country that could say it had not a potential traitor in all the land.

The fact is that traitorous characteristics are developed in ways and under circumstances which government could not control. At the same time, they are often most difficult to recognize. Peculiar, indeed, would be the traitor who would fail to do everything he possibly could to conceal his identity until such time as he considered it proper or profitable to reveal himself.

Unattainable Perfection

And government, of course, is the only profession in which the traitor can practice his calling, if that is what you might call it. Is it reasonable, then, to assume that we will never find a traitor among us? We can never relent in our quest for such a goal but we should not become so alarmed when the inevitable happens. With defections such as Mitchell's and Martin's, we should become aware of certain weaknesses in our procedure and we should move to correct these weaknesses. But we are never going to be perfect in this area of government.

The approach to this subject should be calmness and understanding. To run wildly through the ranks of government crying wolf will do irreparable harm to the future. It is hoped that the self-analysis which is now incumbent upon us does not lead to another costly period of character assassination and political gutter-sniping. What has happened in the case of Mitchell and Martin could happen at any time and under any administration.

Why A Parasite?

Here in the United States a great deal of emphasis is placed upon the reasons for certain kinds of anti-social behavior. We are as much concerned with prevention of crime as we are with finding and punishing the criminal. We are even more occupied with the causes of mental retardation then we are with its treatment.

In our approach to these social problems, we find a marked contrast with the communist method of doing things. Russia has embarked upon an "anti-parasite" drive to rid the country of what can be classed primarily as loafers. The objective is to have every able-bodied male actively engaged somewhere in the nation's productive effort. Anyone who cannot show proof of employment or a good reason for not being so will be shuttled off to small villages for short terms.

This trial period ended, the idler would have to evidence intentions of becoming a part of the labor force or face a regular prison sentence. Among the idlers are sons of the rich and juvenile delinquents. This may seem to some as a good method of meeting the problem, a constructive application of the "spare the rod" philosophy. But it still boils down to the old communist idea of force where all else fails.

It is very doubtful that Russia will meet with much success in this new effort. The young person who would rather roam the streets and live off his wits or his father's income than have a job of his own has a fundamental oddity in his makeup. If forced into productive labor, he is likely to be as much a liability as an asset. He could be such a disruptive force within an organization that he cuts down overall efficiency. The final answer, even for Russia, lies in a determination of what creates such social misfits and the elimination of such influences.

Distracted Again

South American news has a hard struggle to make the top headlines here unless it is some way connected with our arch adversary, Russia. Then it makes it.

We have an unhealthy fascination with communism, as one does with a cobra. It keeps us from noticing or evaluating other matters which sometimes are really of greater moment. That's one reason why we are forever experiencing disagreeable surprises, such as the Castro revolution and Cuba's steady defection toward communism. Cuba was no secret, but no one would look.

This country gave its attention to the recent meeting of the Organization of American States in Costa Rica because of the Red-Cuban angle. But not much is said about a forthcoming conference of even greater moment. It is the American Economic Conference at Bogota, Columbia where the Congress's new $600 million aid program will get its initial run. The program is still vague, but it does have the money. The program will do well or poorly according to how the United States presents it at the coming conference.

Since World War II the United States has relied largely on the excursion of private capital for South American development and has regularly sent 50 times as much aid to Europe and other parts of the world. But private capital has not gone to South America in proportion to need and population growth, and it has further been handicapped by the limitation of its field. It does not build roads, schools, hospitals and such service institutions which gear a society to progress. Nor does it provide food for a region which is perpetually hungry. Non-military, economic aid offers the challenging opportunity in South America and because Bogota is the place where the fortunate decision can be announced, the meeting there takes on top headline priority.

Reconciling Opposite Aims

A Washington Post team of top newsmen addressing themselves to the study of men who are helping Vice President Nixon to form his national policies have named Fred A. Seaton, Nebraskan and Secretary of Interior, as Nixon's top farm adviser.

They also describe Mr. Seaton's task as very trying. Perforce, he must sit in the cabinet with Agriculture Secretary Ezra Benson who is persona non grata around the Nixon camp, and at the same time, conquer the irreconcilable task of thinking up a provocative farm program for a situation that requires one, while fulfilling the inner determination of the Republican party to toss the farmer out on his own with the swiftest possible dispatch.

It is a task which actually brought the downfall of Secretary Benson. The Republican party fired him not because it differed with his aim to get rid of the farm program, but because he failed to do so and in trying only got in deeper.

The expedient compromise in this new instance only plays for time—time enough to get elected and such further time as it takes to "get the farmer out on his own."

One thing is certain, high price supports will have to continue to be the villain while the farmer's disappointments with the way Benson has handled affairs the past eight years will have to be diverted from a judgment of Republican aims to a condemnation of any and all political efforts on the subject of agriculture, which is just another way of getting rid of a farm program.

Of the former it can be said that Benson's assault on high price supports was a trick with mirrors. For every dime he took away in his retreat from parity he gave back under another name, as witnessed by on-the-farm-grain-storage allowances and the soil bank. Indeed he even paid more for these diversions than was formerly paid for parity or near parity support.

As to the latter, the farmer will be prudent to reflect on the fact that if he goes for a farm administration by an agency in charge of an administration, but outside the specific power of congress, he will have given away his final effective weapon for his defense.

Religious Question Affects Nixon, Too

WASHINGTON — With the religious whispering growing ever louder in the presidential campaign, this column sought out the pastors and parishioners for more intimate information about attitudes.

The purpose was to find the answers to these basic questions: to what extent does religion rule the candidates' lives? Would church doctrines, such as the Quaker attitude toward pacifism or the Catholic teaching on birth control, influence their public decisions?

Dick Nixon and Jack Kennedy are remarkably alike in their religious make-up. Both were brought up by devout mothers; both have strayed slightly from their early Sunday-School behavior. They can best be described today as religious moderates.

Nixon grew up under strict but gentle Quaker discipline. He was taught to shun tobacco, liquor, and gambling as sinful. The Nixons did not use the Quaker "thee" and "thou," however, except in the presence of grandmother Milhous.

☆ ☆ ☆

Young Richard faithfully attended Sunday and midweek services at the East Whittier (Calif.) Friends Church where he still keeps his formal membership. He taught Sunday School and played the piano for the young peoples' Christian Endeavor meetings.

He remained a model Quaker during his four years at Whittier college. But even at this early age he didn't permit his private life to interfere with his political ambitions. Although he didn't dance himself, he was elected student-body president on a platform pledge to introduce dancing to the staid Quaker campus.

At Duke University, Nixon was still considered proper and prudish by his classmates. He refused to sign in his college date as "Mrs. Nixon," for instance, in order to use a swimming pool restricted to faculty members and married graduate students.

It remained for the Navy to nudge Nixon off the straight-and-narrow. He not only took up poker playing but became so skillful at it that he trimmed his buddies for a reported $10,000 during the years he was in the service. He also developed a taste for cigars.

Nixon's bride, Thelma "Pat" Ryan, forsook her Methodist religion to become a Quaker more to please Mother Nixon than her husband.

In Washington, they felt ill at ease attending Quaker services which were of the silent, nonpastoral sort. Some Quakers also disapproved of Nixon's rough-and-tumble political tactics and his friendship for the late Sen. Joe McCarthy.

GOP Hopes For Congress Gains

WASHINGTON — It does not appear that Republicans can make inroads on the big Senate Democratic majority this fall, but the states have a way of confounding the Washington laws of probability in such matters. Hence Republican claims of brighter prospects from Rhode Island to Wyoming.

True, their reasons are mainly negative, being based on various situation and personality problems of Democrats. But the voters are only sometimes swayed by negatives, a fact which accounts for most of the surprise winners—the sleepers—in Senate elections.

Republicans are, for example, high on Rhode Island because of a David-Goliath primary battle being waged there for the Democratic nomination between Claiborne Pell, a young Kennedy type, and former Gov. Dennis J. Roberts, a controversial old pro. To make them even more cheerful, former senator, governor and Truman attorney general Howard McGrath has begun to campaign aggressively against Pell and Roberts after considerable initial hesitancy.

☆ ☆ ☆

Pell has set the pace of the campaign by helicopter, yacht, and shanks' mare. His major plea is for the state to look forward to the Kennedy new frontiers with him instead of backward with Roberts and McGrath.

Raoul Archambault has no opposition for the Republican nomination. A former state chairman and assistant director of the federal budget, he is in his early 40s and is a vigorous campaigner.

Roberts has managed to hold on to the Democratic party organization despite his defeat for governor in 1958 by Republican Christopher Del Sesto. Republicans regard that victory as vindication for Del Sesto, who lost to Roberts in a still hotly disputed governorship race two years before.

☆ ☆ ☆

Experienced Republican Senate operatives are even more optimistic about Wyoming, where Rep. Keith Thomson will oppose Raymond B. Whitaker of Casper for the seat being vacated by Joseph C. O'Mahoney. Thomson defeated Whitaker in a House race and insists he can take him again.

In Michigan, incumbent Democrat Pat McNamara is having health problems, which encourage Rep. Alvin Bentley. Here Republicans make considerably fewer claims for the popularity and campaign abilities of their candidate than they do in Rhode Island and Wyoming.

☆ ☆ ☆

Some cautious Republican hopes are voiced about Oregon and Montana. It is believed that the high tide of sympathy for Mrs. Maurine Neuberger has somewhat receded in Oregon and that Gov. Mark Hatfield's labors for former Republican Gov. Elmo Smith are having an effect.

Montana Democrats waged a snappy fight for the seat being vacated by Sen. James Murray, and before it ended most of the party's leading spokesmen got into the act. This has diminished certainty that Rep. Lee Metcalf, the final winner, will be an easy victor in November, but the odds are still on him.

These Senate races, and many others, are independent of the fortunes of the presidential slates. Few are willing yet to name Kennedy or Nixon the clear favorite in any state so far in advance of their campaigns and television debates.

THE NEIGHBORS SAY

Platte River Racetrack

By MONA B. PARKER

Central Nebraska took a beating last week from a vicious combination of wind and rain, and right in the path of the elements was the favorite pear tree belonging to Jack Bailey of the Grand Island Independent staff . . .

Checking the damage, he found nearly two bushels of the unmatured fruit scattered about on the ground. "Since all the fruit was still green, there was nothing to do but throw it in the compost pile and hope for a better pile of compost."

Self-styled termite killers are fleecing gullible Nebraskans again this season, according to the Western Nebraska Observer. "Free" inspections of houses and buildings go along with the offer. If there is any indication of a good supply of cash on hand, invariably drastic evidence of termites is found. The worried homeowner is convinced he must sign an extermination contract immediately or see his home fall apart in dust.

And before he realizes what has happened, the Observer cautions, he has paid a huge sum for having a little bug killer sprinkled here and there around his premises.

The word is that there is currently some agitation to hold a city election in Hubbard. It seems that there hasn't been one there in 25 years, with town board vacancies filled simply by appointment by board members.

The Kearney Hub told of an actual happening that must be the "what-if" nightmare of every outdoor host or hostess. A grill collapsed and the steaks being prepared were buried in a mass of charcoal. Hungry partygoers rose nobly to the occasion, washed off the half-cooked steaks in a shower, and placed them back on the grill. The meat was described as tasting a bit smoky, but otherwise highly edible . . .

In the Garden County News, Charlie Sass describes the intricate workings of American economy. We pay for Italian olives and Spanish olives, he says, thus cuttting down on the need for American olives. Then California olive growers lay off men who subsequently get unemployment payments . . .

"Plants close, taxes and payrolls are lost and we send more money to other countries for more olives to keep more people going in those countries."

A few years ago they were playing golf in the dry river bed of the Platte near Central City. This year farther upstream — or, more accurately, up river bed—at Phillips they held a rip-shortin' motorcycle race with 19 two-wheelers zooming right down the middle of the Platte. The run started south of Grand Island, went to the Chapman bridge, and consisted of two complete rounds. Humps, dips and soft spots along with some pretty high bouncing made the event a bit thrilling for participants and spectators along the banks, reported the Advertiser . . .

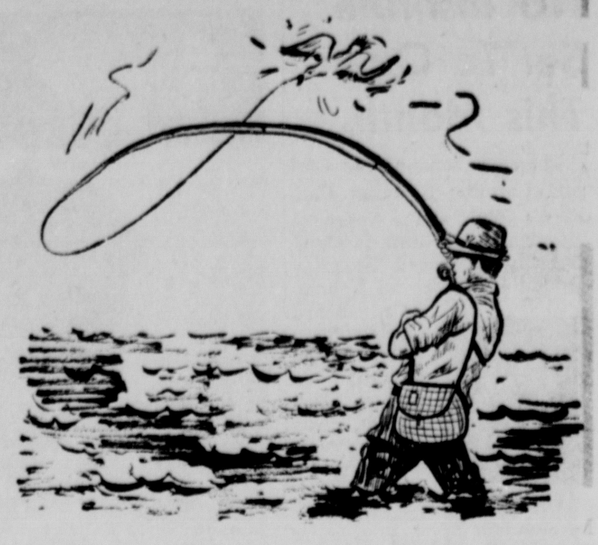
There's an added note of entertainment to backyard barbecues these days, points out the Holdrege Citizen. And that is satellite watching. After you've stuffed yourself on a charcoal broiled, choice Nebraska steak with all the accompanying trimmings, all you need do is latch onto a reclining lawn chair. All the muscles required to view the entertainment, then, are those of the neck to slowly turn the head from side to side as the satellite soars overhead.



Real casting, the friends of Russ Smith of York are telling of his catch at Harlan Dam. The News-Times relayed the story that the fisherman was using a fly rod that turned out to be just that. It seems that when he cast enthusiastically, he brought down a sea gull . . .

Social Security Plan

Fremont, Neb.

A newspaper story says that John Kennedy's expert on social security, a Wilber J. Cohen, has a social security plan to give more and more benefits to more and more people.

All such plans look wonderful at first glance. They are intended to gather large blocs of votes for the Democrats from people who do not think things through and they will doubtless be only too successful in accomplishing this.

However, Mr. Cohen's plans fail to tell us who is going to pay for this Utopia or what the money paid the employe under Social Security will be worth by the time he receives it. The answer is simple. The employe will pay—he'll pay out his hard-earned money now with one hand and years later receive back inflation-riddled dollars with the other, further riddled by huge administrative expenses.

The plans fail to consider the problems of the young wage earner who must pay these social security charges from his meager funds now and then wait many years to receive them back. And, the plans fail to consider problems of the older citizen who wants to pay his own way and has saved all his life only to see his life savings eaten away by the very inflation the liberal Democrats cause by this type of program. This is too serious a matter to be made a political football.

Before the voter buys such plans, he'd best take a second good look.

GOP Faults

Lincoln, Neb.

The Democratic party is the party of the common man. Since the Republican administration has been in office, they have placed the farmers deeper in debt as well as causing many to lose their farms and overflood the cities with an extra surplus of labor. This has caused more unemployment. The GOP makes more money for the large businesses and less for the many small businesses.

The GOP has done nothing in the past eight years for the farmers except offer an expensive, inadequate and illogical solution to the agricultural problem. Congress tried to bring about a solid solution but every time they got a good bill to the President, he vetoed it.

For two years the GOP has used the field of foreign relations for their political gain and not for the betterment of America. During the past eight years even our own allies have been questioning our aims. The Republicans give foreign aid with the idea of that country's trade or establishing business there, as in Cuba.

A big fault of the GOP is the practice of peace at any price. A person can crawl back only so far before he has to fight. The Communists are taking little pieces of land from our allies and we send nothing but a mere note of objection. Peace is valuable and must be preserved, but not at the cost of sacrificing our ideals and prestige as we are doing now.

In the next four years, 180 million Americans will look to their president to lead them to expanding greatness. The best qualified man for the job is Sen. John F. Kennedy, assisted by Sen. Lyndon B. Johnson.

Mower Noise

Omaha, Neb.

Can nothing be done to subdue the noise from these power lawnmowers? Adjacent to us is a large lawn which gets more than a hour's treatment each week. It makes such a racket that it is impossible for me to work at all at my profession, which comprises drawing, painting, and a lot of letter writing. All my efforts require deep thought and planning well in advance.

When the boy finished his job next door, he starts on his own lawn and the din continues. How about having laws passed to abolish this public nuisance? Mufflers on each mower would do the trick.

Two-Bladed Sword

Hastings, Neb.

The governor of California declares that Kennedy will carry California by a million majority over Nixon. If that is the case, Kennedy will sweep all of the far western states.

The fight made on him by the anti-Catholic Baptists of Texas will help him gather the Republican Catholics in all other states and assure him of carrying New York. When they raise the issue against Kennedy, it is a two-bladed sword. It isn't Al Smith they are dealing with now, but an upright, able and progressive American citizen.

Dr. Baker Heads Unit In Turkey

Dr. Marvel L. Baker, assistant dean of the College of Agriculture, will return to Turkey in October for an additional two-year term as dean of the University of Nebraska's Mission, under an International Cooperation Administration program.

Dr. Baker

Dr. Baker, who served as the first chief of the Mission from 1955-57, will replace Dr. Lawrence K. Crowe, professor of dairy technology and biochemistry.

His appointment was approved Thursday by the Board of Regents.

The Nebraska Mission is now composed of 3 University staff members at Ankara University and 5 at the newly-constructed Ataturk University at Erzurum, which is modeled after the University of Nebraska.

240 Students

Dr. Baker said the new university has completed its second year with an enrollment of 240 students.

The University Mission now has specialists in Arts and Sciences, animal husbandry, soils and agricultural economics at Ataturk and home economics, extension, and veterinary science at Ankara.

Dr. Crowe will return to Nebraska next January. A replacement for Dr. Baker on the Lincoln campus has not been considered as yet, Chancellor C. M. Hardin said.

The Board also appointed two specialists who will be added to the Nebraska Mission. They are:

Deane G. Carter, former coordinator of the University of Illinois ICA program and professor and head of the agricultural engineering department at University of Arkansas.

Ernest J. Wheeler, ICA consultant in India and former chief of Michigan State College mission to University of Ryukus, who will act as crops specialist in Erzurum.

Elgin Bldg. Part Ready In October

Stage one of remodeling Nebraska Hall, the former Elgin building, at the University of Nebraska will be completed and sections of three floors ready for occupancy by the middle of October, according to Verner M. Meyers, director of planning and construction.

Meyers said finishing touches are now being put on the first remodeled sections which are scheduled for occupancy by six University departments. They will be the first to be housed in the structure which was purchased in 1958 for $725,000 from the Elgin National Watch Company.

The University's printing division and duplicating service, now headquartered in West Stadium, will move into the basement. The Conservation and Survey Division will move from old Nebraska Hall, to be torn down in November, to the east end of the first floor.

The second floor will house the department of publications, now in the Administration Building, the University's new computing center and the division of planning and construction, now in West Stadium.

Meyers said that contracts are expected to be let sometime this fall for remodeling the east end of the third, fourth and fifth floors of the six-story building.

This work he said, would entail installation of corridors, utilities, ceilings and flooring and would be complete in five to six months.

Small Day Care Centers Granted Fire Law Waivers

The Nebraska fire laws for day care centers for up to 7 children will be relaxed to allow small operators to qualify for licenses, Joseph Divis, state fire marshal said.

Divis held a hearing on the fire rules for old age and childrens homes Wednesday attended by about 30 representatives of the homes involved.

The major complaint was that day care centers with only a few children—up to 7—had been required to meet just as strict fire laws as those for 50 to 60 children.

As a result, Divis said, many small day care centers have been operating without licenses since the fire laws went into effect about two years ago. A relaxing of the laws will allow them to meet the requirements for licenses.

They will have to meet sufficient requirements, however, to make them safe for the children involved, Divis said.

University Of Nebraska Gets Grants Totaling $1,277,074

The University of Nebraska Thursday accepted research, training, assistance and construction grants totaling $1,277,074.

Bulk of the million dollar aid came in the form of a $754,874 grant from the U.S. Public Health Service for the Eugene Eppley Research Institute for Cancer and Allied Diseases.

The federal grant will be used as part of the construction cost of the institute being constructed at the College of Medicine campus in Omaha.

'Ready To Go'

Acceptance of the grant by the Board of Regents means "We are now ready to go ahead full blast," Chancellor Clifford Hardin said.

Some $437,442 was accepted in research and training grants.

Among them was a $54,800 grant from the National Science Foundation for a 3-year study of cosmic ray variations deep in the atmosphere.

Principal investigator of the cosmic ray study will be Dr. Robert Chasson, professor and chairman of physics.

The 3-year program will study possible connection between sun and earth concerning high energy radiation, the electro-magnetic field and particle density.

Meanwhile, the U.S. Office of Education has granted the University $47,500 for a national study of instructional television.

The project will be under the direction of Dr. W. C. Meierhenry of Teachers College and Jack McBride, director of KUON-TV, the University's educational TV station.

The 10-12 month study will concern a national survey of problems involved in establishing distribution centers for recorded televised instructional material.

(Chancellor Hardin noted during discussion of the grant that the University hopes funds will be available "before too long" to increase the power of KUON-TV so that it may be within the range of more television sets.)

Another grant involved $62,374 in 1960-61 federal funds made available by the National Student Loan Act for use in loan assistance at the University.

An additional $90,000 will be available at a later date.

The University will match the federal funds with less than $7,000.

Research grants of more than $20,000:

—$24,600 from the National Science Foundation for research by Prof. Cecil T. Blunn of the Department of Animal Husbandry: breeding tests of population genetic theory.

—$20,000 from the Nebraska Heart Assn. for research by Dr. Denham Harman of the Departments of Biochemistry and Internal Medicine: chair of cardiovascular research.

—$29,095 from the U.S. Public Health Service for research by Dr. Cecil Wittson of the Department of Neurology and Psychiatry: pilot screening treatment unit for mentally retarded. (supplement to an earlier grant.)

—$25,600 from the National Science Foundation for research by Prof. Norman Cromwell of the Department of Chemistry: elimination reactions of L-Halogenated Ketones.

Training grants of more than $20,000:

—$25,000 from the U.S. Public Health Service for an undergraduate training program under the direction of Dr. F. Lowell Dunn of the Department of Internal Medicine. (continuation)

—$25,000 from the U.S. Public Health Service for a cancer teaching program under the direction of Dr. Howard B. Hunt of the Department of Radiology. (continuation.)

Guernsey Comes Through; Fair Record Is Intact

Within one hour of release for all 4-H dairy animals at the Nebraska State Fair, a Guernsey cow gave birth to a calf. The cow is owned by Charles Davidson of Lancaster County.

The birth took P. H. Cole, assistant superintendent of the 4-H Dairy Show, completely by surprise. Cole said he expected a Holstein cow owned by Richard Emken of Mead to give birth to a calf during the week. However, this never became a reality and it appeared that at least a 5-year record of a calf every year would be broken.

Marine Talked Out Of Plunge

San Francisco (AP) — A Marine Corps sergeant threatened to jump from the 16th floor of a Market Street building but was dissuaded by a priest.

Sgt. George Edward O'Neill, 38, stepped onto a ledge at the Humboldt building at 8:50 a.m.

At 10:35 a.m. Father Thomas Murray persuaded him to quit the ledge.

Police said he cried "I've lost pride in the Marines — or the Marines lost pride in me."

He was taken to a police station for questioning.

Rocket Rattle From Khrushchev Likely—Herter

Washington (AP) — Secretary of State Christian A. Herter said Thursday Soviet Premier Khrushchev is coming to the United Nations to rattle Russian rockets in a fresh propaganda onslaught against the West.

"It remains to be seen what new visions of Soviet capabilities for launching global devastation Mr. Khrushchev will conjure up when he appears before the General Assembly," Herter said.

For one thing, he charged the Russians with conducting a "campaign of agitation" against the U.N. in the chaotic Congo.

"More recently we have seen evidence of politically-motivated incursion of planes, so-called technicians and equipment into the Congo from the Soviet bloc," the secretary said. He noted that President Eisenhower has protested this.

At the same time, Rep. Chester Bowles, D-Conn., forecast that the next administration—whether Democratic or Republican—will have to evolve new policies to deal with an increasingly strong and aggressive Red China, Communist captive peoples in eastern Europe and U.S. allies in Europe.

Herter and Bowles gave their views on international problems from the same platform at a conference of United Press International publishers and editors.

Herter dismissed as "ludicrous in the extreme" Khrushchev's proposal for a summit meeting of 82 heads of government at the U.N. in New York.

Oscar Pettiford, Jazz Bassist, Dies

Copenhagen, Denmark (AP)—(AP)—Oscar Pettiford, famous American jazz bassist, died here Thursday night in Frederiksberg Hospital. He was 37.

He became ill Sunday night after playing at a Copenhagen art exhibition.

Pettiford came here about 15 months ago and, with Copenhagen as headquarters, toured Europe.

Doctors refused to disclose the cause of death.

CRIPPLED CHILDREN COMMITTEE REACTIVATED

The governor's office Thursday announced reactivation of the crippled children's committee which was created under state law.

The committee serves in an advisory capacity to the State Board of Control or any other agency in Nebraska charged with the duty of exercising supervision over and administering services to crippled children of the state.

Named to 4-year terms on the committee were: V. R. Blackledge, Scottsbluff; Mrs. Ben Cowdery, Omaha; Dr. Harold N. Neu, Omaha; George Risk, Columbus; Dr. Fay Smith, Imperial; and Dr. F A. Stewart, Lincoln.

Liquor Commission Sets Hearings Sept. 19

The Nebraska Liquor Control Commission reported Thursday it has set hearings for Sept. 19 on two applications for liquor licenses. Protests have been filed against both.

The applicants are William Keith Ferris of South Sioux City, who seeks a Class C license, and Adolph Klein of Pleasanton, who seeks a package liquor license.

Safety Patrol Asks 1961-63 Budget Of $4,796,163

Sanders Wants 45 Additional Troopers; 25 For Interstate

The State Safety Patrol has requested a budget of $4,796,163 for the 1961-63 biennium, an increase of $741,657 over the present two-year budget.

Col. C. J. Sanders, chief of the Patrol, said the increase would allow the addition of 45 troopers to the force, 25 of whom would be assigned to the Interstate Highway October 1, 1961 when the highway is expected to be opened between Lincoln and Omaha.

The other 20 troopers would be assigned to other state highways the following October.

The Patrol now numbers 200 troopers.

Cost of the 25 troopers for the Interstate would be $405,134, and the total amount needed for the other 20 troopers the following year would be $158,937.

Remainder of the increase would be used for salary hikes ranging up to $30 monthly, and for improvement of the communications system.

Alvin Scissors, director of the Department of Motor Vehicles, submitted a budget request of $1,337,055 for the next biennium, an increase of $475,725 over the present two-year budget.

Bulk of the increase would go toward hiring additional personnel and raising salaries, he said.

Scissors has proposed changing the state's licensing and registration program to a centralized operation on the state level rather than the present county system.

The budget requests were submitted to State Tax Commissioner Forrest Johnson, who is the state's budget officer.

Nebraskans Take Part In Air Mail 40th Year Flight

Omaha (AP)—A U.S. Air mail anniversary flight arrived from Des Moines Thursday noon with Iowa District Judge Russell Rodman of Cherokee at the controls.

C. D. Doher, Nelson, Neb., grain dealer, and Nelson postmaster H. F. Zimmerman were on hand to fly west to Grand Island with commemorative letters being carried as part of the flight commemorating the 40th anniversary of the New York-to-San Francisco air mail service.

Also on hand was C. P. (Ole) Oelson, 61, of Dubuque, Iowa, who flew from Boston to New York in the infancy of the air mail service. He was a mail pilot from 1926 to 1928.

He and Dr. Kenneth K. Hazlet of Dubuque were to fly an Omaha-to-Iowa city run as part of the anniversary observance.

Judge Rodman was a guest at an anniversary luncheon attended by Omaha Postmaster Walter Korisco and Mayor John Rosenblatt.

Tokyo (AP) — Crown Prince Akihito will pay an official visit to Ethiopia Nov. 23.

County Red Cross To Be In New Quarters Today

The Lancaster County Red Cross will be located in its own building at 1701 E Street Friday.

The new headquarters, formerly the Delta Upsilon fraternity house, has approximately 10,000 square feet of floor space compared to 3,000 in the rented quarters at 312 So. 12th the previous location.

Money used for the purchase of the $75,000 building came from estate bequests made to the Red Cross over a 15-year-period.

No funds collected through the annual Community Chest and Red Cross United Campaign were involved in the purchase.

'Save Family Doctor'—Texas GP

By Jerry Farrell

A noted Texas general practitioner called on a group of Nebraska doctors to "fight for the survival of the family doctor" Thursday night.

The Nebraska group was the 11th annual scientific and business meeting of the Nebraska Chapter of the American Academy of General Practice.

Dr. James D. Murphy, vice-president and chairman of the board of the AAGP, told the GP's the most serious challenge to the "family doctor" was "the government and socialized medicine."

Applications Drop

"Also, applications to medical schools have dropped 50% and the quality of applicants have gone from a high B to a high C average."

Earlier in the day, University of Nebraska College of Medicine Dean J. Perry Tollman reported an increasing interest among incoming freshman at NU's medical school in Omaha toward general practice.

"It is not a big jump but indicative of what we all know — that we need the general practice physician to maintain the American way of health", he said.

Almost 150 Nebraska doctors are attending the two day meeting at the Cornhusker Hotel which winds up today with the presentation of more technical papers and election of officers.

General Practitioners Meet

Attending the annual scientific and business meeting of the Nebraska Chapter of the American Academy of General Practice at the Cornhusker Thursday and today were left to right, Dr. Rudolph F. Sievers, of Blair, president of the Nebraska group, Dr. James D. Murphy, of Texas, guest speaker at a Thursday evening banquet and Dr. Ivan M. French, of Wahoo, the Nebraska chapter's president-elect. (Star Photo)

Dr. Franklin B. Peck Sr., a national authority on diabetes and president of the American Diabetes Association, addressed an afternoon session on "Current Problems in Diabetes" and spoke to a Lincoln lay group Thursday night.

"Diabetes is prevalent in this country and is becoming more so," he said.

"The reason for this is that Americans are so well nourished and diabetes occurs in over-nourished people."

Dr. Peck estimated that over 1-2% of the population have diabetes and many do not realize it.

Frolik Will Speak At Husking Contest

Dr. Elvin F. Frolik, new dean of the University of Nebraska College of Agriculture will be the speaker at the 1960 Nebraska mechanical corn picking contest near Beatrice Oct. 12.

Dr. Frolik was born at DeWitt, Neb., a few miles from the site of the contest on the J. H. Von Riesen farm northwest of Beatrice.

Articles Valued At More Than $900 Stolen At Motel

Thieves netted more than $900 in clothing, cameras and other equipment from cars in the parking area of the Holiday Inn Motel, it was reported to the Lancaster County sheriff's office Thursday.

Three cars were reported entered overnight while parked at the 53rd and Cornhusker Hwy. motel.

Wes Longhofer of Harrington, Kan., reported the loss of an electric post hole digger and other items valued at $218.95.

Edward T. Robinson of Waterloo, Neb. reported the loss of $395 in camera equipment, and William H. Smart of Washington, Ia. said men's and women's clothing and two books, all valued at $297.50, were missing from his automobile.

Assistant Atty. Gen. Williams Resigns Post

Assistant Attorney General Richard H. Williams announced Thursday that he will resign his post October 1 to go into association with Thomas M. Davies in the private practice of law in Lincoln.

Williams was appointed to the attorney general's staff in October, 1952.

"The biggest hesitancy in the matter of deciding to leave has been the pleasant associations of 8 years with Mr. (C. S.) Beck (attorney general), and Mr. (Clarence) Meyer (deputy) and the always fine staff in this department," Williams said.

"I particularly hate to leave at this time because I would have liked to have served under Clarence Meyer as attorney general, who I consider to be one of the finest lawyers and gentlemen in this state," he continued.

Meyer is the Republican nominee for attorney general. Beck is seeking a district court judicial post in the 13th District.

"However, the financial consideration and future welfare of my family dictate that I should make the change at this time," Williams said.

Both Beck and Meyer were out of town Thursday, but it was understood no action has been taken on a replacement.

Ogallalan Enters Innocent Plea To Vehicle Homicide

Ogallala (AP)—Galen Hoover, 28, Ogallala, pleaded innocent in county court Thursday when arraigned on 4 charges of motor vehicle homicide. He was released on $4,000 bond and preliminary hearing was set for Sept. 20.

Hoover was the driver of one car in a crash that killed two California women and two children and left 3 children surviving. A fund drive for the surviving children has been started by Ogallala ministers.

Hot Judge Puts Clerk In Cooler

Kenosha, Wis. (AP) — This is the case of a judge, a county clerk and a sheriff who have been baking in a 90-degree heat wave for a week.

Judge Harold Bode of Kenosha County decided his chambers were unbearable. His robe stuck to him. The cigars in the humidor were too damp to light. He called an appliance dealer and had an air conditioner installed.

Then the trouble began.

Clerk Richard Lindgren boiled over when he got the bill and told the judge he wasn't going to pay it.

"Everybody else around here sweats a little," Lindgren said, mopping perspiration from his brow as the thermometer registered 93. "I don't have an air conditioner in my office."

Judge Bode's temper went higher and he held Lindgren in contempt of court.

"Go To Jail"

"You're interfering with judicial procedure," said the judge. "I hold you in contempt of court and order you to jail."

Lindgren went behind bars two days ago. The thermometer didn't budge except to drop a few degrees at night.

Sheriff Floyd Hughes was brought into the case Thursday when he received an order from another court telling him to allow Lindgren to appear and seek a writ releasing him from a steaming cell.

And that's what Hughes did. But Judge Bode—who grew hotter under the collar despite the air conditioner—had the sheriff arrested. He told Hughes that as sheriff he had a choice: put Lindgren back in jail or go there yourself. He also found Hughes in contempt of court.

So, the sheriff arrested Lindgren again and put him behind bars once more late Thursday.

Another Judge

Then someone telephoned Judge Howard J. Du Rocher at nearby Racine, a city caught in the same heat wave, and told him Judge Bode had countermanded his writ and had Lindgren behind bars again.

"I don't know what to do about this," Du Rocker said, fanning himself with a sheaf of legal papers. "I suppose I could hold Judge Bode in contempt of my court but I'll have to think that over."

Meanwhile, Judge Bode relaxed in his chambers and turned the dial on the air conditioner to "high."

"A judge can't compromise when he thinks he is right," he said.

Sands, Sinatra To Wed Sunday

Hollywood (AP) — Nancy Sinatra and singer Tommy Sands will get married Sunday at Las Vegas, Nev. in the resort hotel where their courtship began last December.

The wedding will be a small, private one for the immediate family.

The bride-to-be is the 20-year-old daughter of singer-actor Frank Sinatra, who will give her away.

Sands, 23, will be married in his Air Force uniform. He winds up 6 months of duty Nov. 25 under a 6-year Reserve program.

Russians Hit Stiff Opposition In Security Council Move

United Nations, N.Y. (AP) — The Soviet Union hit stiff opposition from the Western hemisphere Thursday in its effort to subject decisions of the Organization of American States to ratification by the U.N. Security Council.

The Soviet delegation introduced a resolution that would have the 11-nation council approve the one the OAS foreign ministers passed against the Dominican Republic in San Jose, Costa Rica, Aug. 20.

Argentina, Ecuador and the United States countered with a proposal that the council merely take note of the OAS resolution without implying that it had authority either to approve or disapprove it.

The Soviet Union had asked the council to meet for the express purpose of endorsing OAS action to penalize the Dominican Republic for acts against Venezuela.

Diplomats speculated that its underlying motive was to set a precedent that would enable the council to overrule any similar action the OAS might take against Cuba.

In its San Jose resolution, the OAS found that the Dominican government had supported a plot to overthrow the Venezuelan government and instituted a bombing attempt on the life of Venezuelan President Romulo Betancourt.

Condemns Acts

It condemned Dominican "acts of aggression and intervention" against Venezuela and called on member countries to break diplomatic relations with the Dominican Republic and stop any arms shipments to her. The decision was reported to the U.N.

Deputy Foreign Minister Vasily V. Kuznetsov, introducing the Soviet resolution, noted that the U.N. Charter said, in Article 53, "no enforcement action shall be under regional arrangements or by regional agencies without the authorization of the security council."

He argued that without such authorization, any such action would run counter to the charter. So, he concluded, the council had the duty to approve the OAS decision "so as to give it legal force and make that decision more effective."

Daisy Coryell Estate Valued At $765,790

An appraisal of the estate of the late Daisy Coryell, filed in Lancaster County Court Thursday, listed personal and real estate property valued at $765,789.72.

Mrs. Coryell, who was the widow of L. L. Coryell Sr., died Sept. 17, 1959.

The appraisal listed Lincoln property at 2901 Stratford valued at $40,000 and stock in L. L. Coryell and Son Building Corp., L. L. Coryell & Son Buildings Inc., Nebraska Building Corp. all valued at $616,860.90.

Also listed were personal items and $89,183.04 in U.S. bonds.

Steps Asked Against State Banking Dept.

Attorneys for Hamilton Funds Inc. of Denver, an investment fund corporation, filed a petition in Lancaster District Court Thursday asking that both permanent and temporary steps be taken against the State Banking Department and its officials.

The petition was filed against E. N. Van Horne, banking director, Harold Johnson, chief of the bureau of securities, and the department, in connection with an order issued by the department denying Hamilton the right to sell any more of its H-DA series shares in the state.

The Hamilton petition asks the court to take the following steps:

—issue a temporary mandatory injunction against the banking department's order to stop the sales of shares

—issue a declaratory judgment stating that Policy III issued by the banking department is invalid and in violation of the constitution.

—issue a court decree declaring the July 28 banking department order (denying the right to sell the shares) illegal, void and of no effect.

—issue a directive ordering Van Horne to issue the authority for sale of the H-DA shares.

Periodic Contracts

The Hamilton H-DA shares are sold under periodic investment contracts which permit the investor to make monthly payments. Hamilton was ordered to stop sales in the state July 28 following the issuance of a directive, Policy III, from the banking department setting limits on the percentage of the sales costs and commissions.

Hamilton pointed out in its petition that its shares had been sold in Nebraska since 1954, and were authorized for sale in 45 states and 7 foreign countries, and never had been denied registration until the Nebraska Banking Department's order.

Lancaster District Judge John Polk denied an earlier request of Hamilton to temporarily halt the State Banking Department from enforcing their July 28 order.

Rain Forestalls Interstate Work In Omaha Area

Rains Wednesday and Thursday have held up work on the Interstate Highway from Dodge Street to 114th and L Streets in Omaha, hence the segment will probably not be open until Monday, John McMeekin, state highway maintenance engineer, reported Thursday.

The department had hopes of opening the segment to traffic to help carry the load of vehicles to and from the state fair in Lincoln.

First Union Official Indicted Under Law

Washington (UPI) — Attorney General William P. Rogers announced indictment of the first union official under the Labor Reform Law of 1959.

The action was taken against Owen L. Lawson, former business manager of a plumbers-pipe fitters union (AFL-CIO) local at Tulsa, Okla., on charges of embezzling union funds and concealing union financial records.

Nixon Favors Fixed Supports For Tobacco Farmers

Washington (AP) — Vice President Richard M. Nixon said he favors continuation of the present tobacco program, with its fixed price supports and strict production controls.

The vice president stated his position in a letter to Sen. John Sherman Cooper, R-Ky.

This was the first time that Nixon, since becoming the Republican presidential nominee, has given his specific views on any of the farm programs.

In coming out in favor of fixed price supports for tobacco — the only crop control program that retains this feature — Nixon was to a degree breaking with the opinions of Secretary of Agriculture Ezra Taft Benson.

Benson has only reluctantly gone along with the present program.

In the long run, Benson has stated, tobacco farmers will get into trouble with fixed controls. He has advocated a return to a freer market.

Nixon, however, wrote Cooper that "the present tobacco program is meeting the needs of tobacco producers and is serving well the purposes for which it was intended."

"I wholly support the present tobacco program, and if elected president, I will recommend that it be continued without change," Nixon went on.

"If improvements or technical modifications, as have been made in the past, appear to be needed in the future, I will depend on the recommendations of tobacco growers, tobacco state farm organizations, and their representatives in the Congress."

IKE VIEWS SATURN ROCKET BOOSTER

Huntsville, Ala. (AP)—President Eisenhower visited the heart of the U.S. space effort here Thursday and viewed test models of the giant Saturn super rocket booster.

The occasion was dedication of the Marshall Space Flight Center, named for the memory of Eisenhower's World War II chief, the late Gen. George C. Marshall.

Addressing a crowd of about 20,000 standing in bright sunshine at the dedication ceremonies, Eisenhower made an obvious jab at the Communist system, saying U.S. space achievements resulted from self-reliant enterprise rather than grasping state imperialism.

Eisenhower, describing himself as an old foot soldier, said modern rocketry makes Venus and Mars "more accessible than a regimental headquarters was to me as a platoon commander 40 years ago."

Standing alongside a model of the huge rocket booster —80 feet long and 20 feet high, resting horizontally on a rack—Eisenhower said:

"They come into my office and say it has 8 engines. I didn't know whether they put one on top of the other, or what."

Autumn Ceremony

MRS. LOREN D. LUTES

Chrysanthemums in shades of gold and bronze decorated the chancel of the Church of Christ in Wymore on Thursday evening, Sept. 1, for the wedding of Miss Judi Sunderland, daughter of Mr. and Mrs. Ralph Brucker of Oketo, Kan., and Loren D. Lutes, son of Mr. and Mrs. Louis D. Lutes of Loup City.

Frocked in silk organza over taffeta in the russet tones were Mrs. Kenneth Reed of Brookings, S.D., as the matron of honor, and the bridesmaids, Miss Jan Sunderland, Oketo, Kan., sister of the bride, and Miss Joyce Farmer.

James Jirsa, Lincoln, served Mr. Lutes as best man, and seating the guests were Keith Lutes, Loup City, brother of the bridegroom, and Ray Balfour, Lincoln.

The bride appeared in a gown of white Chantilly lace. The rounded neckline of the long-sleeved basque was edged with natural scallops of the lace, dotted with pearls and sequins, and below the slim waist, the skirt flared widely and was draped at the back to reveal a cascade of lace and tulle ruffles. A bonnet brim of lace held her illusion veil, and she carried white pompons and bronze Fujii chrysanthemums.

The couple will reside at 3432 Mohawk in Lincoln, where Mr. Lutes, a graduate of the University of Nebraska, is studying for a Master's degree. He is a member of Sigma Xi, Sigma Tau and Pi Mu Epsilon. The bride is a former student at Dakota Bible College, Huron, S.D.

Clubs Begin Year

The executive board members of Meadow Lane PTA will be hostesses on Friday at a luncheon honoring the faculty of Meadow Lane School. The affair will begin at noon and will be held at the school.

Mrs. Harold Evans, 1546 Sunset Rd., will be hostess next Wednesday at the annual membership coffee of La Sertoma, an organization for the wives of Sertoma Club members.

Mrs. John Capron and Mrs. Edward Smith will be assisting hostesses, and reservations may be made by calling Mrs. Smith IV 8-4590.

The Thursday Morning Lecture Circle will open its new season of programs on Thursday, Oct. 6. President of the organization for the coming year is Mrs. Ralph W. Hill, and other officers are Mrs. W. Evan Benjamin, vice president, and Miss Edna Hewitt, secretary-treasurer.

The first meeting of the fall season for the members of Zeta Chapter, Beta Sigma Phi, was held Tuesday evening. Following reports by committee chairmen, a program, "Speech," was given by Mrs. Dale Smallcomb.

Guests of the chapter were Mrs. Richard B. Junior Smith and Mrs. Richard Stephens.

The Talk Around Town

—It doesn't seem possible that September has used up one third of its time—or that Nebraska's first football game is one week from tomorrow—or that the football season for the Lincoln high schools begins this week end —It doesn't seem possible maybe—but it is true.

* * *

—We hear that there is a meeting of medical men in Lincoln at the moment—the GP's — general practitioners. We also learned that many of the doctors coming from here and there throughout the state were accompanied by their wives—and our particular interest happens to be the wives—and activity planned for them.

Today the feminine contingent, visiting and local, will meet at Hotel Cornhusker promptly at 12 o'clock—and from the hotel the group will proceed to a progressive luncheon. The first stop will be at the home of Mrs. L. E. Finney where the guests will be served fruit-cup and such—Then to the home of Mrs. Paul Heidrich and the main course. Later there will be dessert at the home of Mrs. John R. Curry.

On Thursday afternoon the doctors' wives had a most entertaining afternoon at the Planetarium at Morrill Hall, and in the evening joined their husbands at a banquet.

The committee in charge of the arrangements includes Mrs. Elmer Hobbs, Mrs. George Lewis, Jr., and Mrs. John A. Brown, III.

* * *

—Checking the calendar for next week end we find that Miss Sandra Ellis, whose marriage to Richard Falconer will be solemnized on Oct. 1, is to be honored on Sunday morning, Sept. 18, when Mrs. Roger Hall (Judy Mueller) and Miss Sandra Lichtenberg are hostesses at the home of Miss Lichtenberg. The guests, all former high school classmates, have been invited for a 10:30 o'clock coffee and a pottery shower for the bride-elect.

One of the recent courtesies for Miss Ellis was a surprise shower given by Miss Ellis's feminine coworkers at the National Bank of Commerce, when they entertained at the Legion Club. The group also presented a pink and blue shower to Mrs. DeLoyd Larsen.

* * *

—Back in town is Mrs. J. H. Loper who returned home a few days ago from Hawaii where she spent a 10-day vacation.

* * *

—And someone told us that when Liz Ames flew in from Vermont (where she had been attending Camp Aloha) the other day, she had a homecoming gift for her family—12 live lobsters.

We Hear That

Arriving in Lincoln Thursday to spend a week as the guest of the active chapter of Phi Mu sorority on the Nebraska Wesleyan University campus was Mrs. Fred Lewter of Mobile, Ala., national rush chairman of the sorority.

Bride On Thursday

MRS. GENE PAUL SAMUELSON

The marriage of Miss Janet Kay Webster, daughter of Mr. and Mrs. Harry B. Webster, to Gene Paul Samuelson, son of Mr. and Mrs. Wilber Samuelson, was solemnized Thursday evening, Sept. 8, at Christ Methodist Church. The lines of the 8 o'clock service were read by the Rev. Nye O. Bond, and Mrs. F. O. Woodard, organist, played the wedding music.

The matron of honor was Mrs. Donald Webster, and bridesmatron was Mrs. Dean Beck. Miss Judy Garrett and Miss Jerrie Bell were the bridesmaids, and lighting the candles were Miss Sandra Sinnett and Miss Jean Cook.

Donald Webster, brother of the bride, served Mr. Samuelson as best man, and seating the guests were Roger Samuelson, brother of the bridegroom, Dean Beck and Burneil Lindquist.

The bride chose a gown of Chantilly lace and tulle in traditional white for her wedding. Tiny pearls and iridescent sequins patterned the lace of the long-sleeved bodice to highlight the portrait neckline, and the bouffant skirt of lace and tulle tiers was completed by an overskirt of the lace draped at the back to form a peplum bustle. Her illusion veil was held by a queen's crown of pearls, and she carried a white Bible marked with a single white orchid.

Upon returning from a Colorado wedding trip, the couple will make their home at 6913 Colfax. Mr. Samuelson is a student at the University of Nebraska. The bride is a member of Beta Sigma Phi business sorority.

Fun News In Suburbia

SOUTH HILLS

News from Mr. and Mrs. Dale Lange tells us that they are the proud parents of a daughter, Cynthia Jo. The young miss, who has a 13 month-old brother, Ricky, made her premier appearance at St. Elizabeth Hospital on Friday, Sept. 2.

Mr. and Mrs. Arnold Rahe of Plymouth are the maternal grandparents and the paternal grandparents are Mr. and Mrs. Orville Lange of Malcolm. Mrs. Lange is the former Arly Rahe.

The home of Mr. and Mrs. Charles Neal has been the scene of much social activity these past few days. Joining the Neal family for a family get-together and picnic at Van Dorn Park on Labor Day were Mrs. Ralph Graves, Mr. and Mrs. Jerry Shannon, U. D. Neal and Don, and Mrs. Gertrude Recko and John.

Among their recent visitors was Mrs. Neal's mother, Mrs. Alma Kolar. Mrs. Kolar, who resides in Giltner, was in Lincoln visiting Wednesday.

Yesterday morning Mr. Neal's sister, Mrs. Kenneth Feaster of Grand Island, was in Lincoln and stopped at the Neal home for a short visit.

One final mention of the Neal family—yesterday was departure day for Don Neal. He returned to St. Paul Seminary in St. Paul, Minn., where he will resume his studies.

Among the many new residents in the suburb are Mr. and Mrs. Robert R. Perry and their family. The Perrys moved last week from their former address, 4040 Calvert, to 1815 Connie Rd. The Perry family includes eight year-old Susie, John, who is a student at Doane College in Crete, and a married son, Tom who makes his home in Lincoln.

And the former occupants of the Perry home on Connie Rd., Maj. and Mrs. Fred C. Ouderkirk and their two daughters, have moved from Lincoln. Their mail is being forwarded to Hdqs. 800-2B 4026 Str. Wing at Wurtsmith Air Force Base, Mich.

MEADOW LANE

Among the many new families along Colony Lane are Mr. and Mrs. Donald L. Grassmeyer and their two-year-old daughter, Jody. They completed moving yesterday from their former home at 3610 Pawnee, and their new address is 1020 Colony Lane.

Everything went according to schedule at the block party Thursday evening even though the skies continued to threaten rain at any minute. Some 30 families from the Hollingsworth Heights neighborhood gathered for the block party—the block that is, along Austin Drive.

The evening's activities included a picnic supper followed by a street dance.

Pictured at the party are, left to right, hosts and hostesses Mr. and Mrs. Dick Campbell, and Mr. and Mrs. Clay Cox.

ASK— Dorothy Draper

Every once in a while I find myself taking a stand against something that many experts seem to agree on. I've not only heard an art editor lecture on the subject, but the other day a famous designer - decorator made the statement that "if you can't have an original painting, don't have a reproduction, substitute a bouquet of fresh flowers."

Now I'm all for fresh flowers, but I disagree with the other part. Of course, we all love to own an original Cezanne, Klee, Monet, etc., but who can afford these today . . . and pay the grocer? Isn't it better to have a good reproduction of a famous work than never to be able to enjoy art in your home?

Some of the reproductions are so good it is astounding. And when framed with an impressively simple frame, the painting becomes a pleasant nucleus for other works of art.

I am all for getting the Best there is out of life, but if that is impossible, why not settle for second best on the premise that, in the case of painting, a good painting should make a good reproduction, and why not enjoy it?

Mrs. C.S.F. asks:

"Is there any tile flooring made that looks like wood?"

Dear Mrs. C.S.F.:

Yes, something new called "Wood Hues." Rock maple and cherry come in asphalt, and cypress and fruitwood color in vinyl asbestos. The tiles come in squares and are quite inexpensive.

Mrs. V.D.B. asks:

"I had my living room papered in a beige tweed with a little gold and white in it. My carpet is a cinnamon brown, living room set is an olive green. Also have one brown and gold chair. I want to get new drapes, but don't know what color to get. Would you give me some advice? Should I get the background of drapes like the paper?"

Dear Mrs. V.D.B.:

Yes, if you could get draperies with a geometric or floral pattern in olive, flamingo-red and white on a beige background it would blend quite well, I think. Toss flamingo-red and white pillows on your olive green sofa and spot the room with white accessories.

Mrs. P.S.A. asks:

"How do you use a swag at a window?"

Dear Mrs. P.S.A.:

A swag may be used over curtains or draperies, over shutters or Venetian blinds and may either contrast with or match the window dressing. Trimmed or used plain it is often a graceful solution to an otherwise plain window treatment.

DEAR ABBY Abigail Van Buren

DEAR ABBY: I am a widow who is having a difficult time deciding what to do. I am 47 (no children) and am very much in love with a widower who is 50. His wife passed away two years ago and his mother moved into his home to care for his 12-year-old son.

Abby, this man says he really loves me, but he doesn't want to get married until his son is on his own. This will mean waiting 8 or 9 years. I can't see this at all. Why should I just "go around" with him for 8 or 9 years? I tried to explain that his son needs a mother, but he says HIS mother fills that need. I can't sleep for thinking how wonderful life would be as his wife. Should I wait and hope he changes his mind? Or do you think he ever will?

"TO WAIT OR NOT TO WAIT"

DEAR "TO WAIT": If you want a husband, find yourself a man who wants a wife NOW. This man wants only a woman to "go around with." Wait at your own risk.

☆ ☆ ☆

DEAR ABBY: I work in an office. We moved because we're expanding and need more space. The boss had a tank of goldfish in our first office. We were hoping he'd give them up when we moved, but he didn't.

We girls have to feed them, change the water and keep the tank clean. This is a terrible chore. He travels all the time, isn't interested in the fish and never looks at them. So why does he insist on having them around? (I wish we could get rid of them "quietly.")

THE GIRLS

DEAR GIRLS: Maybe the boss just wants someone around the office who opens his mouth without asking for a raise. (The only way you can get rid of them "quietly" is to make a lot of noise.)

☆ ☆ ☆

DEAR ABBY: When I read that letter from the wife who complained because her husband always "walked her on the outside" I was reminded of my own case which was exactly like hers. My husband used to do the same thing to me and I kept changing places with him and nagging him about it. He finally confessed (after we had been married 3 years) he was deaf in his right ear and he always wanted me on the side by his good ear.

UNDERSTANDING

DEAR UNDERSTANDING: You are lucky. Some men put their wives on their deaf side.

☆ ☆ ☆

CONFIDENTIAL TO "OLD FLAME": The path you are pursuing could lead you to more flames than you can handle.

If you have a problem, write to Abigail Van Buren in care of this paper. She will be glad to answer your letter. For a personal reply, enclose a self-addressed envelope.

YW New Classes Scheduled

The Lincoln YWCA has announced its fall schedule for adult classes, for which registration may be made Monday, Sept. 12, through Friday, Sept. 16.

Most of the classes will begin the week of Sept. 19, and included this year will be new courses on millinery, budget gifts, and a study group on international affairs of the non-Western world.

The millinery class on Tuesday mornings will feature styling and will be taught by Mrs. Ruth Miller of Omaha. Mrs. R. E. Carey will instruct the budget gift class on Wednesday mornings, and the study of the non-Western world through reviews of fiction, biography and history will be taught by Norma Kidd Green, on Monday evenings.

The popular class on contesting will be taught by Mrs. Ray Mitchell on Thursday evenings, and the photography class will be continued on Monday evenings, instructed by Kaz Tada.

The course on painting, both oil and water color, will again be offered on Tuesday afternoons and will be instructed by Mrs. S. J. Fieselman, and a class in creative writing will be taught by Mrs. Grace Swift on Thursday afternoons.

Weaving classes will include a beginners, intermediate and advanced workshop under the supervision of Mrs. Russell F. Richmond, and a bridge class, using the Goren point system, will be taught of Mrs. A. E. Harrington. Mrs. E. L. Sommer again will teach the class on flower arranging.

A class on holiday decorating and gift ideas will be instructed by Mrs. Neal W. Pettit and Mrs. Sommer. The YM-YW party bridge class will meet on Wednesday evenings at the YMCA.

CONTRACT BRIDGE ... By B. Jay Becker

By B. Jay Becker

Partner bids one Heart, next player passes. Neither side is vulnerable and you have a part score of 90. What would you now bid with each of the following five hands?

1. ♠K83 ♥9 ♦AQ86 ♣J7532
2. ♠A7 ♥Q863 ♦K972 ♣Q654
3. ♠AJ9 ♥Q4 ♦KQ73 ♣KJ86
4. ♠K6 ♥KQ52 ♦AJ74 ♣Q853
5. ♠K95 ♥AQ4 ♦KQJ62 ♣A4

1. One notrump. When the bidding side has a part score, many of the usual principles of bidding are suspended. Bids that would otherwise be treated as forcing may be passed, and many times the bidding sequence changes substantially because of the presence of the part score.

Ordinarily, a response of two clubs would be made with this hand and the opener would be required to bid again. But since, in this case, two clubs can be passed, it is inadvisable to respond with such a weak suit. There is too much danger that partner might pass with an indifferent club holding and that the contract would be defeated. No such fear should exist if partner passes a notrump response. The high cards alone should easily produce seven tricks.

2. Two hearts. The raise constitutes a very mild slam try, and is made partly to cover the possibility that the opening bid was exceptionally strong, and partly for the purpose of blocking out the opponents. The same bid can be made with a hand 2 or 3 points weaker.

3. Two notrump. This response has more of the flavor of a genuine slam try. It does not, by any means, compel the opener to speak again, and he is expected to pass if he can tolerate notrump and started with a minimum hand.

The point count requirement for a jump to two notrump, with a part score of 60 or more, runs about 15 or 16 points. Without the score a jump to two notrump shows 13 to 15 points and is forcing.

4. Three hearts. This is also a direct slam try, but again the response is not forcing and may be passed. The jump raise is usually a point or two better than it would be if there were no part score involved.

5. Three diamonds. This response, being a jump shift, is 100% forcing, and the opener cannot pass and plead that he had no more than just a minimum bid. There is no limit to how much strength is shown by a jump shift (which consists of naming a new suit and skipping a level at the same time).

A slam is likely to be made, though the best place to play it is still unknown. Further investigation may be needed to place the contract in hearts, diamonds, or notrump.

S&H GREEN STAMPS

Stanton Delaplane's POSTCARD

The Rev. Dr. Illsley Boone (They called him Uncle Danny) had a wonderful idea for stopping wars. He suggested that everybody go around without clothes.

"It would be difficult to tell which man was your enemy if soldiers wore no clothes," said Uncle Danny.

Thus to the nudist news—past and present.

☆ ☆ ☆

I am invited to address the annual convention of the Western Sunbathers Association.

"In conformance with our policy of nudity, speakers will address the audience without clothing. The entire three-day convention will be held in the same spirit."

Well, I auditioned myself in the bathroom mirror this morning. I imagined myself out there in the California desert—we are holding the meeting there because it is warmer. (Also you can see the cops coming a mile away, I imagine.)

I am up on the podium—I wonder if they put one of those stands in front of you so you can read your notes? It would help.

But if they didn't. There I am. Up in the air in front of thousands of ladies and gentlemen. All of us bare as a parsnip.

"Ladies and gentlemen. As I stand here before you—" No; that is not so good.

"Ladies and gentlemen. As we gaze on—"

Nope. It is terribly hard to get started on a speech like this.

I could hardly get started in my own bathroom, I had that much stage fright.

☆ ☆ ☆

Nudism is very interesting because nudists are helpless subjects of status symbols. As much as ladies who go around in mink coats and are dismayed should their slips show.

When I was interviewing the late Dr. Kinsey, the sex interviewer — (but he didn't get much out of ME, let me tell you). When I was interviewing this scientist, he said he had dipped into the nudist thing.

Social ladies are more apt to go raw than any others. The more social a lady is, the sooner it's off with the old and into the raw.

Ladies who just struggled through sixth grade, drink steam beer and marry an honest ditch digger—they hardly get out of their clothes at bedtime.

Consequently, if you go to a nudist camp, you are apt to meet a very good class of people.

☆ ☆ ☆

When I try out in front of the mirror, I get as far as "Ladies and gentlemen." Then I fall apart.

I think it is the "Ladies" part of the speech that bugs me. If it were just 'Gentlemen"—I think I could manage that. Though I don't know what you say after "Gentlemen." Maybe something like, "Anybody have any good phone numbers?"

Not very likely in the desert.

☆ ☆ ☆

At one time I attended a nudist camp. But I found it fairly much of a drag. Everybody sat around and talked about modern dance and Zen Buddhism.

I had expected the chatter to be rather racy. Jokes and giggling.

But not so. One lady offered to read my palm. I didn't even have to take my gloves off.

The liveliest nudist I ever met was in the line at a Las Vegas night club. She wore three derby hats—none of them on her head. She said she nearly froze the way the place was air-conditioned.

Mail Lady

Beach Haven, N.J. (AP) — Mrs. Grace Pharo, a 41-year-old mother of two, loves to walk in the fresh air. So she became the state's first and only lady mail carrier with a city route. She has even delivered an alligator without a hitch. The local postmaster thinks she does a better job than many of the men. She doesn't fritter away her time with chit-chat, her boss says.

CARMICHAEL

Small Fry Burglars

Joplin, Mo. (AP) — Police think it was a gang of small robbers who broke into the Rex Jeans home. Missing were two bicycles, two tricycles and a piggy bank containing about $15. But scattered about on the floor, police said, were pieces of jewelry valued at about $3,000.

Wheat Fields Said Arsenals For Freedom

Alliance (AP) — Nebraska's wheat fields "can become arsenals for freedom in communism," in the view of State Sen. George Gerdes of Alliance, president of the Nebraska Wheat Growers Assn.

"But in order to make use of wheat as a weapon, we need to make improvements in the administration of our food-for-peace program in several areas," he added.

Gerdes made the comment following his return from the White House Food-for-Peace Conference in Washington.

"We learned at the conference that wheat is one of the 3 most wanted foods in needy countries," Gerdes related. Feed grain and dairy products are the other two, he explained.

Church and welfare groups represented at the Washington session expressed the opinion that farmers have been unjustly criticized for producing more than the market demands.

"Care officials and others believe that if we use our carry-over foods to help feed empty stomachs in needy areas, we can more sucessfully combat communism in many areas of the world," Gerdes said. "They called for a stepped-up food-for-peace program and for revisons in the way the administration makes foods available to them.

"My feeling after the conference is that if we stopped looking on carry-over foods as a drug on the market, and started using them more intelligently as weapons for peace, we could make a lot of progress in the critical years ahead."

Pinballs For Health

Athens, Ohio (AP) — Pinball machines confiscated during raids by the Department of Liquor Control are being turned over to the state's mental hospitals. Coin levers are stripped off to allow free play and the machines are used to help patients relax and talk. "It's not the game but the conversation that goes on during the game that counts," says Thomas Clark, state therapies co-ordinator.

Ready For Anything

Charlotte, N.C. (AP) — A new ambulance service moved into a building formerly occupied by a catering service. The new firm put up a new sign but left part of the old sign. The sign now reads: "Ambulance Service of Charlotte — Catering to from 10 to 10,000."

Cutout

Denver (AP)—After a Denver bank had installed a revolving beacon atop its building, directors decided to add a shield cutting off part of the beam. They learned that every revolution of the searchlight was throwing a powerful glare into social clubrooms atop another bank building.

POINT BLANK

By Don Bryant
Sports Editor, The Star

Remember When?

One of the most impressive things about football season in these parts is the eternal optimism — at least, interest—of Nebraskans.

Almost everyone you meet wants to know how the Cornhuskers will fare. They've all got their own ideas, too.

Nebraska football has been the one point of common interest for years. There may be differences of opinion about coaches, players and opponents, but there's never any doubt that Nebraskans love their football and are constantly aware that the Huskers exist.

The fact that this interest does still exist, despite only two winning seasons since World War II, indicates the Scarlet followers would really jump on the bandwagon if Bill Jennings & Co., could produce a winner.

I don't care where you go in Nebraska, when football is mentioned, there is always someone handy who "remembers when we really had football teams."

And there's always another fellow who saw the 1925 Notre Dame game.

"Boy, that was a game," he'll tell you. "That's when football was a game for men. We didn't have any subs in those days."

Irish Heyday

Since the phone has started its annual jangling as a medium to settle the Notre-Dame question, I was happy to receive the 1960 Notre Dame football brochure.

Of course, no Irish history is valid without plenty of information about the great Knute Rockne. And the Irish brochure—like any good history book—doesn't hide the fact that Nebraska enjoyed unusual success against Notre Dame during The Rock's golden era.

During his tenure at South Bend, from 1918 through 1930, Rockne's teams won 105, lost 12 and tied 5. It is a source of pride for Nebraskans to recall that their Cornhuskers hung 3 of the defeats and one of the ties on Rockne.

In fact, Nebraska had greater success against the Irish in those days than any other team. Army, with two wins and a tie, ranks second, while Carnegie Tech, with two wins, is third.

The Spoilers

The Cornhuskers beat Rockne 14-6 in 1922 to hand the Irish their only defeat. They socked the only loss on ND the following year, 14-7, and they joined Army as the only conquerors in 1925, 17-0. Rockne whipped NU in 1919 (14-9), 1920 (16-7), 1921 (7-0) and 1924 (34-6).

Who else beat Rockne-coached Irishmen, besides Nebraska (3), Army (2) and Carnegie Tech (2), you ask? Well, Michigan Agricultural (now Michigan State) in 1918 was the first and the others were Iowa (1921), Wisconsin, Georgia Tech and Southern California (all in 1928.) Army the trick in 1926 and 1928.

Ties, in addition to Nebraska (1918) and Army (1922), were recorded by Great Lakes (1918), Penn State (1925) and Minnesota (1927).

Rockne had 5 undefeated teams at Notre Dame: 1919 (9-0), 1920 (9-0), 1924 (10-0), 1929 (9-0) and 1930 (10-0).

There you have it, Husker lovers. Puff up that sagging chest when you recall that Nebraska beat The Rock more than any other team, 3 of his 12 losses, to be exact.

PS: For the information of the current Huskers, who may not be so familiar with this football-dippy area, Nebraska does have a great gridiron tradition, the fuel for an undying interest in your endeavors. While no one will forget Nebraska's classic battles with Notre Dame, it doesn't mean that these same folks wouldn't love to add a modern twist to the tradition.

Skeeter Leads Gals; Norton's Foul Ousts Men's Relay Quartet

. . . U.S. CAGERS NEED ONE MORE VICTORY

By Ted Smits

Rome, (AP) — Wilma (Skeeter) Rudolph, the Tennessee comet, won her 3rd gold medal of the 1960 Olympics Tuesday as the United States wound up track and field competition with two relay victories and lost a 3rd on a disqualificatiion.

Russia surged even further ahead in the race for unofficial team honors.

Russia moved ahead of the U.S. in gold medals with 33 to America's 32 and began to pile up the points in the gymnastic competition.

The unofficial point standings were: Russia 608; United States 506½, Germany 298½, Italy 231.

All America Jerry Lucas led the U.S. to a 112-81 victory over Italy as the U.S. moved within one victory of its 5th straight basketball title. A triumph over Brazil Saturday will clinch it. Russia downed Brazil 64-62 in Thursday night's other game in the final round.

Miss Rudolph, running as anchor on the women's 400-meter relay team, and despite a poor pass of the baton, outlegged the field and crossed the tape a winner by two yards in :44.5. This was 1/10 of a second slower than the world record set by the Americans in a heat.

Her 3 gold medals made her the heroine of an American track team that generally did not live up to expectations.

The United States with 9 gold medals in men's track made the poorest showing of any American team since World War II.

Rhubarb.

Center of a new rhubarb in this controversy-studded games was the decision giving first in the men's 400-meter relay to Germany in :39.5, equalling the world mark and throwing out the performance of the American team which finished first by inches.

Ray Norton of Oakland, Calif., who disappointed with 6th places in both the 100 and 200, took the blame for the disqualification.

"When Frank Budd handed me the stick I realized I had run out of my zone," he said. Budd yelled at me, and I made almost a complete stop. I had no idea at the time I had committed this foul. I merely stuck my head down and ran as hard as I could."

Offsetting this blow was the performance of the United States 1,600-meter relay team which set a world record of 3:02.2. The old mark was 3:03.9 made by Jamaica in 1952.

The blazing quartet, racing in a drizzle before 60,000 in the big Olympic Stadium, was composed of Jack Yerman, Woodland, Calif., :45.6, Earl Young, San Fernando, Calif., :46.7, Glenn Davis, Columbus, O., :45.5, and Otis Davis, Los Angeles, :44.4.

Averaged :45.5

The amazing Americans needed to average :45.5 to beat the Germans.

Davis time of :44.4 with a running start is probably the fastest the distance has ever been run. He needed to do it. Carl Kaufmann of Germany did :44.5.

When Otis Davis set his world record of :44.9 in winning the open 400 at the games, it was Kaufmann who almost caught him at the tape with a great lunge.

The women's winning 400-meter team was made up of Martha Hudson, McRue, Ga., Lucinda Williams, Nashville, Tenn., Barbara Jones, Nashville, and Miss Rudolph.

U.S. Has More Medals

The gold medal count in men's track stood at 9 for the United States compared to 5 for Russia, with the marathon still to be run Saturday. In women's track it was 6 for Russia and three for the United States, the personal work of Miss Rudolph. Overall it was 12-11 in favor the United States.

Negroes played a prominent role in the American effort, winning 6 of the individual titles and comprising the entire women's 400 meter relay team. Otis Davis, anchor man of the record-smashing 1,600 meter team, is also a Negro. Four individual titles were won by American whites.

The bitterly disappointed American 400-meter relay team was made up of Frank Budd, Asbury Park, N.J., Norton, Stone Johnson, Dallas, Texas, and Dave Sime, Durham, N.C.

Sime ran a great anchor leg to edge out Germany's crack hurdler, Martin Lauer, but it was in vain. He was near tears when the disqualification was announced.

Norton took the blame squarely, and Pincus Sober, of New York, manager of the United States men's track and field team, said:

"I had a very good view of the handoff. Norton definitely went out of his zone. It is too bad, but that's the way it goes."

The United States suffered additional disappointments Thursday.

Al Cantello of Norristown, Pa., who holds the world's record in the javelin at 282-3½, threw only 245-1 and couldn't make the final 6. He wound up 10th.

Viktor Cybulenko of Russia won the event with 277-8⅜.

Peter Bolotnikov of Russia won the 10,000 meter run in 28:32.2 which eclipsed the Olympic record of 28:45.6 set by his famed countryman, Vladimir Kuts in 1956.

Truex Surprises

Max Truex of Warsaw, Ind., finished a surprising 6th in the excellent time of 28:50.0.

Yolanda Balas of Romania won the women's high jump at 6-0¾ for another new Olympic record. This bettered the mark of 5-9¼ set by Mildred McDaniel of the United States in 1956.

Rudolph Karpati of Hungary, the defending champion, won the gold medal in individual sabre competition.

RUNNERS SEEK REFUGE

Members of the United States 1,600 meter relay team take shelter under a tent of blankets as they await the medal presentation in Rome's Olympic Stadium Thursday. The team won the gold medal by setting a world record in the event with a 3:02.2 clocking. Runners (left to right) are Jack Yerman, Earl Young, Otis Davis and Glenn Davis.

Knights, Rockets Clash In Gridiron Inaugural

. . . CROSSTOWN RIVALS MEET TONIGHT AT OVAL

By Larry Novicki

The Lincoln prep football season opens with a slambanger tonight at 7:30 when Southeast and Northeast open against each other at the Public Schools Oval.

Lincoln High travels to Omaha Central for its 1960 inaugural Saturday night.

The Northeast-Southeast encounter shapes up as a real barnburner.

Last year speedy Jim Levy scored all the points in leading Southeast to a 13-0 win over the Rockets. Levy has graduated.

Coach Tom Gillaspie lost several key men who helped boost Southeast to a school record season with 6 wins and 4 setbacks.

The Knights are big.

Pease Heftiest

Their line averages 184½ pounds, headed by senior guard Joe Pease at 212.

Pease and right tackle Gary Foster (205) will co-captain the Knights tonight.

The Southeast backfield averages 169½, outweighing the Northeast line by 5½ pounds per man. Rocket backs average 157.

Coach Art Bauer at Northeast has tabbed senior end Ralph Wolfe and senior right half Curt Kiner as co-captains.

Aerial Game

Bauer is hoping for anything but rain tonight. If the weather is right, his pass-happy quarterback duo of Dave Lebsack and Mel Hester will fill the air with footballs.

Gillaspie's charges went through a couple of hours of pass defense drills Friday in anticipation of a strong aerial attack

Northeast has superior overall speed to make up for the big weight disadvantage.

Kiner, the city's 9th leading scorer in 1959, will be the main ground threat for the Rockets.

If the Knights' hefty line can put enough pressure on the passer, the game could be a repeat of last year's contest.

But if the smaller Rockets can go over the top and around the ends, they could easily come out ahead.

The game will be a Mid-East Conference fray.

LHS In Speed Contest

Coach Jim Sommers at Lincoln High sends his city champs against Omaha Central Saturday night.

The speedy Eagles whitewashed Lincoln 19-0 last year, and according to reports, Coach Frank Smagacz has another fast-running club.

But Sommers has his own speed with state sprint champion Bobby Williams leading the way.

The Links should make a successful start in their quest for the Inter-City League title.

Lincoln High starters Saturday:

Ends—Gary Haas (187) and Corey Gacusana (156); tackles—Mike Loos (211) and Jerry Shaw (205); guards—Bill Pfeiff (153) and Basl Hulswicz (171); center—Roger deBrown (160); quarterback—Marc Danekas (188); halfbacks—Leroy Hunter (167) and Mark Firestone (150); fullback—Bobby Williams (187).

Naviaux Named Freshman Aide

Larry Naviaux, Lexington, has been approved by the Nebraska Board of Regents as assistant Husker freshman football coach.

Naviaux, who will fill the post on a part-time basis, was a standout back for the Cornhuskers, wrapping up his career in 1958.

Chiefs End '60 Season In 2nd Spot

By Don Bryant

Lincoln's Chiefs rang down the curtain on the 1960 Three-I season Thursday night, feeling right at home.

They were rained out of their final game at Topeka.

But even though they didn't play, Skipper Ira Hutchinson's Chiefs had a happy time because they were assured of finishing in second place despite the rain.

As the race concluded, Lincoln trailed champion Fox Cities by 10½ games and had a one-game margin over Sioux City. The Soos edged Cedar Rapids for 3rd by a half game.

It didn't make any difference what the Soos did on the final night—they lost to Des Moines, 8-0—since the Chiefs had them by percentage points. A Sioux City win, following Lincoln's rainout, would have seen the Chiefs nip the Soos by a hair, .5182 to .5179.

While the Foxes ran off with

FB Remains Husker Grid Question Mark

. . . McDOLE BULKIEST, DILLARD IS LIGHTEST

By Bob McCoy

Nebraska's Cornhuskers continued two-a-day football drills Thursday amid renewed hopes for improvement in the weakened fullback situation.

Veteran Noel Martin, injured in Wednesday's scrimmage, remained a question mark, but Bill (Thunder) Thornton and Steve Olsen, virus and heat victims earlier in the week, returned for light work.

Martin, suffering from a knee strain, is expected back next Monday at the earliest. His status for the Texas opener Sept. 17 remains in doubt.

Coach Bill Jennings, after viewing films of Wednesday's scrimmage, singled out his top 4 ends for their outstanding pass grabbing.

Drawing praise were John Bond, Jim Huge, Pat Salerno and Don Purcell.

Jennings Thursday shifted halfback Gary Warden to fullback to back up Dallas Dyer, who sparkled there Wednesday after Martin was injured.

The Husker coach indicated his charges will continue the usual schedule of drills through this week, with no more scrimmage sessions definately in sight.

A new entry to the injured list Thursday was tackle Monte Kiffin, who was held out of work with a sprained ankle.

Jennings said Nebraska will work under the Lincoln High Oval lights next Tuesday and Thursday to get used to the night game situation they'll face at Texas.

Thursday was weigh-in day at the Husker camp, with tackle Roland McDole tipping the scales the hardest at 232 pounds.

Halfback Bennie Dillard was lightest at 162 pounds.

The weights:

Ends—Bill Comstock, 195; Don Purcell, 203; Larry Tomlinson, 195; Jim Huge, 188; John Bond, 193; Larry Donovan, 181; Pat Salerno, 183; Dick McDaniel, 199.

Tackles—Archie Cobb, 227; Ron Borer, 209; Paul Fuehrer, 199; Al Wellman, 218; George Haney, 229; Leon Hanovy, 229; Bob Jones, 210; Al Fischer, 211; Monte Kiffin, 216; Roland McDole, 232; Joe Gacusana, 221.

Guards—Jed Rood, 199; Pete Williams, 192; Darrell Cooper, 217; Dwain Carlson, 203; Dick Kosier, 187; Tyrone Robertson, 204; Gary Toogood, 214; John Ponseigo, 196.

Centers—R. J. Hamsa, 190; Ron Eissle 198; Bob Kitchen, 174; Ron Michka, 211; Mick Tinglehoff, 209; Don Fricke, 189.

Quarterbacks—Pat Fischer, 166; Dennis Claridge, 190; John Faiman, 187; Jim Little, 172; Ron Meade, 178; Ernie Bonistall, 188.

Halfbacks—Clay White, 179; Warren Powers, 182; Bennie Dillard, 162; Fred Fisher, 189; Bernie Clay, 188; Pat Clare, 192; Gene Ward, 184; Dennis Stuewe, 180.

-BIG CARS GIVE WAY TO STOCKS AND SPORTS CARS TODAY-

Folse Regains Form At State Fair

By Al Beebe

Pete Folse regained his championship form Thursday in the State Fair final big car races, leaving the track open for the stock cars today.

Late model stocks and some sports car entries take time time trials at 1 p.m. today, preceding the 200 lap, 125-mile race.

Leading the entries is Ernie Derr, Keokuk, Ia. Derr, who won last year's event here in 2 hours, 11:38.44, is once again the top stock car pilot on the IMCA circuit.,

Ramo Stott, also of Keokuk and the circuit's top rookie 2 years ago, is ranked 2nd. The top 10 in the point standings this year are expected to enter today.

Two other Keokuk drivers, Dick Hutcherson and Jerry McCredie, have shared domination of the stock racing this year, with Bob Kosiske of Omaha challenging.

Sonny Morgan beat them all in a feature earlier this week.

In the big car wrapup, Folse came back from his 7th place finish Monday to lead all the way Thursday.

Without a single mishap in the race and nothing but the "go" flag for the entire 20 laps, Folse came within 2 seconds of his 1959 track record, running 10:53.6.

Buzz Barton, like Folse, from Tampa, Fla., who won Monday, again started in the back row but could do no better than 5th this time out.

DERR . . . Leads Stocks

He trailed Herschel Wagner of Hickman Mills, Mo.; Des Moines' Sonny Helm, and Jerry Shumaker of Wichita.

One mishap did mar Thursday's racing, and sent another driver to the hospital.

Wally Roberts, Des Moines, suffered severe cuts and a broken arm when his car went through the inside rail during the 2nd lap

The accident was caused by a locked gearbox in the car driven by Ardell Young of Lincoln. Young's car slowed quickly, forcing Roberts through the rail and Walt Wyrenbek of Los Angeles into the outside rail.

Roberts narrowly missed more serious injury. A large chunk of the wooden rail passed through his windshield and lodged in the back of the cockpit — between Roberts' arm and body.

First heat—1, Johnny Knox, Des Moines; 2, Herschel Wagner, Hickman Mills, Mo.; 3, Bill Burdick, Kansas City; 4, Jerry Shumaker, Wichita, Kan. T—3:46.16.

Second heat—1, Pete Folse, Tampa, Fla.; 2, Sonny Helm, Des Moines; 3, Shumaker; 4, Gordon Wooley, Waco, Texas. No time.

Klu Celebrates Return, Bats Sox Past Yanks

. . . WRONG-FIELD DOUBLE NETS 5-4 VICTORY

Chicago (AP) — Big Ted Kluszewski, celebrating his first starting chore in more than two months, drove in 3 runs Thursday night and led the Chicago White Sox to a 5-4 victory over the New York Yankees.

Klu's wrong-field, two-run double capped a 4-run 7th inning splurge which helped the Sox wipe out a 4-1 Yankee lead.

The loss dropped the second place Yankees 1½ games behind the league-leading Baltimore Orioles, who clubbed Cleveland 9-0.

Four of Chicago's 5 runs were unearned as the Sox capitalized on errors by Gil McDougald and Moose Skowron.

The Yankees kayoed starter Billy Pierce on back-to-back homers by Roger Maris and Hector Lopez in the 3rd inning. Maris' homer, his 36th and first since Aug. 6, was an inside-the-park shot.

Kluszewski singled home Chicago's first run in the 4th but Lopez crashed his second homer in the 5th, upping New York's lead to 3-1.

New York made it 4-1 in the 6th on a double by Tony Kubek and a throwing error by Gene Freese. Freese made amends by opening the big 7th with his 15th homer.

Art Ditmar retired the next two but Luis Aparicio beat out an infield hit and Skowron booted Billy Goodman's bounder.

Luis Arroyo replaced Ditmar and was greeted by Al Smith's run-scoring single. Bobby Shantz took over for Arroyo and Klu looped his double to left.

Reliever Russ Kemmerer was credited with the victory, his 6th in 10 decisions, but Mike Garcia, recently returned to the active list, held the Yankees hitless in the last two innings.

Rockets Picked Over Southeast

. . . LINKS CHOICE SATURDAY

By Al Beebe

Another prediction season is upon us, and our first prediction is the 1960 campaign could be one of the most topsy-turvey seasons in recent years.

There is no strong pre-season favorite in Class A, and Class B looks like a race between several top contenders.

It will take several weeks before the races begin to take shape. Therefore, there is little as insecure as the prep rater making his first predictions.

Hoping the law of averages hits at least 50 per cent, here goes:

Lincoln Southeast vs Lincoln Northeast (Oval)—Rockets won't romp over heavier Knights, but Dave Lebsack should pitch them ahead.

Lincoln High at Omaha Central (Saturday) — Could be an important factor in deciding state title even at early date, since both could be strong. Both teams fast, Links faster.

Top state game:

Fremont at Hastings —Only Big 10 contest on the opening slate, in what is rated a toss-up East Division. Fremont caught Hastings still thinking of Junior baseball last year, could happen again.

Other top 20 games:

Wymore at **Auburn, Cozad** at Aurora, Crete at **Beatrice, Broken Bow** at Burwell, Fairbury at **Falls City, Geneva** at Harvard, **McCook** at Gering, Ord at **Gothenburg**, Grand Island at **Kearney, Grant** at Ogallala.

Minden at **Lexington**, Sidney at **North Platte**, Omaha South at **Creighton Prep**, Tecumseh at **Plattsmouth**, Wahoo at **Schuyler**, Seward at **Central City**, Seward Concordia at **David City St. Mary's.**

NATS BLANK ATHLETICS, 7-0

Kansas City (AP) — Washington shut out the Kansas City Athletics 7-0 Thursday night behind the 7-hit pitching of lefty Jack Kralick.

Jim Lemon and Lennie Green hit home runs. Lemon's was his 35th this year and came with Harmon Killebrew and Green on base in the 8th inning.

Green's homer was a solo shot in the 6th. In addition he hit two singles, stole two bases and scored 3 times.

Bums Snap Reds' Win Streak 7-4

Cincinnati, (AP)—The Los Angeles Dodgers snapped a Cincinnati Reds 4-game win streak Thursday night, scoring all their runs in the first two innings for a 7-4 decision. It was the season's finale between the two clubs, giving the 1959 world champions a 13-9 edge for the year.

The first 5 men to face starter Jay Hook got on base —4 runs resulting from singles to Maury Wills and Willie Davis—the latter recalled Thursday from Spokane—and a walk to Wally Moon and singles by Norm Larker and Tom Davis.

In the 3rd, Wills, Davis, Moon and Larker again got on base in identical fashion for 3 more tallies.

The Reds broke the ice in the 6th on Vada Pinson's 19th homer of the year, and in the 8th added 3 more on Gus Bell's triple with two out, a single by Wally Post and Cliff Cook's 3rd big-league homer.

Wonderful Ted Paces Boston 6-1

Detroit (AP) — The great Ted Williams paced the Boston Red Sox Thursday to a 6-1 victory over the Detroit Tigers with a homer, double and single.

The Boston slugger improved on his performance of Wednesday night, which was "Ted Williams Night" at Briggs Stadium, when he rallied the Sox to a 5-4 win.

Williams smashed his 27th home run of the season into the upper right field stands in the 4th inning for Boston's first score Thursday. He had doubled in the first.

Williams singled in the 7th when Boston scored twice. Vic Wertz' double scored Carroll Hardy, who had singled, and Willie Tasby, who went into run for Williams.

Gate Is 28,678 For Legion World Series

Hastings (AP) — Hastings made only one guarantee in bidding for the 1960 American Legion World Series, and that was to fill spacious Duncan Field.

A year ago 23,615 fans pushed their way into the first Legion World Series staged in Hastings, and the 3rd put on in Nebraska.

Last week there were 28,678 fans turned out for only two more sessions. Tickets in 1959 were sold for 7 sessions, 1960 tickets 9

When Hastings lost to New Orleans Wednesday night there were 6,417 paying customers, which is 1,500 more than ever before in the 20-year history of the ballpark.

Total gate receipts of $31,907.30 were nearly $10,000 more than last year.

A year ago commissioner Lou Brissie took $17,000 back to the commission following the series here. This year, national headquarters received **$24,966.28.**

Twenty per cent of the total gate receipts goes to the Hastings Legion World Series committee, or $6,941.02. World Series bills will be paid from this profit, and the balance will go to the running of the city's legion baseball program.

A poll of business men, civic clubs and other organizations will be made soon to determine whether Hastings wants the series back for another year.

Oriole Spree Nets 9-0 Win

. . . ALL RUNS IN ONE FRAME

Cleveland (AP) — Jack Fisher hurled his 3rd straight shutout, and Baltimore scored all 9 of its runs on 4 hits in the 7th inning for a club record as the league leaders whipped Cleveland Thursday night 9-0.

Goose-egged through 6 innings of their final 1960 game with the Indians, the Orioles chased southpaw Dick Stigman and reliever Jack Harshman in their big 7th.

Six walks in the inning helped set the stage for a 3-run homer by Gene Woodling, his 11th, and a 3-run triple by Marv Breeding.

Fischer, a 21-year-old right-hander, allowed only 5 hits.

Stigman had allowed Baltimore only 3 hits in the first 6 innings and fanned 5 when his control forsook him. Ronnie Hansen led off the 7th with a single, and took second on a wild pitch.

Two walks followed to load the bases, and Harshman took over with a 1-0 count on Fisher, who walked to force in Hansen.

Jackie Brandt singled two runs home and Woodling's homer cleared the bases and put the Orioles in front 6-0. Brooks Robinson flied to center for the first Baltimore out, but Walt Dropo walked and Johnny Klippstein replaced Harshman.

Mathews Blasts 2 In Brave Win

. . . SPAHN REGISTERS NO. 18

Milwaukee (AP) — Muscleman Eddie Mathews lined a pair of homers good for 5 runs in helping Warren Spahn to his 18th victory Thursday night as the Milwaukee Braves belted the San Francisco Giants 9-4.

The victory enabled the Braves to climb to within a percentage point of second place St. Louis and to within 6 games of League leading Pittsburgh. The Cards and Pirates were idle.

Mathews boosted his season homer output to 35 with a two-run blast in the first and a 3-run belt in the second.

Hammerin' Hank Aaron connected for his 35th homer on the first pitch after Mathews' first smash, while Spahn accounted for the final Milwaukee run with a solo

NCC Gridiron Wars Opening

. . . GAMES TONIGHT, SATURDAY

Peru State, Doane and Wayne State, 3 teams equipped with veterans who know what the game's about, inaugurate the Nebraska College Conference 1960 football campaign this weekend.

Peru, where Al Wheeler celebrates his 23rd year as head coach, opens tonight against Iowa Wesleyan at Fort Madison, Ia.

Doane, under direction of Al Papik, and Wayne, guided by Gwynn Christensen, follow suit Saturday evening.

Doane meets Dakota Wesleyan on the Crete campus while Wayne travels to Sioux City, Ia., to face Morningside.

For the record, Peru has 19 lettermen in a squad of 50, Doane 23 among 54 candidates and Wayne 18 vets among 41 out.

Halfback Combo

At Peru, coach Wheeler has Dick Place, Nebraska City and Ross Pilkington, Red Oak, Ia., as starting halfbacks—probably the best break-away combo in the conference.

Buddy Bookwalter is gone at fullback and Jim Poage and Wayne McFarland at quarterback, but Bob Gibson returns at quarter and Dick Neale is ready to replace Bookwalter.

The Bobcat line, coached by Jerome Stemper, is anchored by guards Ray Unterbrink and Gail Beckstead and center Jerry Henning.

Lost Once

Lamar Gibson and Dick Gerber are Bobcat end returnees and Vern Thomsen was a starter at tackle on the 1959 Bobcat 11 which lost only to Chadron.

Doane, the NCC's surprise club last year when it finished with a 5-3-1 slate, is headed by quarterback Ray Graves and tackle Ray Best.

Besides Graves in the backfield, coach Papik has strength in halfback Ron Barker, and fullback Bob Armstrong.

Ramsey Gone

Doane's chief loss is center Harland Ramsey, voted the NCC's top lineman last year.

Main problem facing Wayne's Christensen is building an offensive punch.

Defense appears to be the Wildcats' forte, with all but one of last year's line which paced the NCC returning.

Mahler QB

Skeeter Mahler has the inside track on the Wayne quarterback spot. He'll replace graduated Don Potter, who helped the Bobcats to a 4-41 mark last year.

Christensen rates halfback Claire Casper and fullbacks Bob Schnitzler and John Bernthal his best ball carriers.

Best linemen include end Rod Tietsort, tackle Jack O'Brien and guards Jim Puetz and Tom Billeter. Tietsort was the club's most valuable player the last two seasons.

Other Starts

Other NCC clubs get started next Saturday. Nebraska Wesleyan goes to Midland, now out of the NCC; Chadron State plays Western (Colo.) State; Hastings faces Huron (S.D.) and Kearney hosts Fort Hays, Kan.

BANKS' 39TH BOOSTS CUBS

Philadelphia (AP) — Ernie Banks smacked his 39th home run of the season to lead Chicago to a 2-1 victory over Philadelphia Thursday night.

Bob Will's triple, followed by Ron Santo's single, provided the Cubs with their winning run in the 6th inning.

The Phils scored their lone tally in the 4th. Pancho Herrera tripled to the rightfield corner and crossed on Jim Coker's slow single down the 3rd base line.

NFL Expands To Create '61 Pool

New York (AP)—The National Football League voted to expand its club roster to 38 players for the 1960 season Thursday as a means of creating a reservoir of experienced personnel for the new Minneapolis-St. Paul entry next year.

The Minnesota club becomes the 14th team in the circuit next season. The NFL expanded to 13 teams this season by moving a franchise into Dallas.

In 1961 the roster limit again will be 35.

Concordia Is Ruff Ruff . . . Says Raider (Star Staff Photo)

Raider Isn't Too Rugged, But Still Help To Raiders

By Gene Budig

Seward—Raider is too little to play football and besides, he can't remember the plays.

As a gridder, he's a dog in more ways than one.

But Concordia High School Coach Ralph Skov is still counting on Raider for valuable assistance in 4th and 4 situations.

"Raider keeps the team's morale up. He is a good mascot," the coach reports.

The little pooch, tipping the scale at 3½ pounds with a helmet, came to the Concordia Raiders from a New England kennel.

Raider has been with the team all the way, missing only a couple early practices because of nose trouble.

He had the sneezes.

Skov says that Raider, whose master is the Rev. Leonard L. Martin of Seward, is one of the 50 battling for a berth.

And apparently, Raider is making the team.

LEO GETS NOD

Tokyo (AP) — Leo Espionsa, former Orient bantamweight champion from the Philippines, won a unanimous 10-round decision over Japan's No. 2 bantamweight, Kozo Nagata, in a non-title bout at Tokyo's Korakuen gymnasium Thursday night.

MacKay Set Down In National Quest

Forest Hills, N.Y. (AP)—The jinx that has haunted Barry MacKay in the National Tennis Championships in other years struck the big Davis Cupper down Thursday and he dropped a 7-5, 6-3, 6-8, 0-6, 6-4 decision to Bob Mark of Australia in the 3rd round.

The victory enabled Mark, a second-line Aussie who alternately scowls at his opponent, the officials and the spectators, to gain the quarter-final round. MacKay, who was seeded 3rd and the top U.S. hope for the title, never has gone past the quarter-finals of the nationals.

The top two seeds, Australia's defending champion, Neale Fraser, and Rod Laver, the red-haired Aussie who hasn't lost a tournament on grass this season, also moved into the quarter-finals, along with 4th-seeded Earl (Butch) Buchholz of St. Louis, seeded No. 4.

Fraser sailed past Mike Sangster of England, 6-2, 6-1, 6-4. Laver had an uneasy time before downing Lt. John Lesch (USN) of Coronado, Calif., 6-2, 5-7, 6-2, 6-3. And Buchholz had virtually no opposition in eliminating Eduardo Zuelta of Ecuador, 6-0, 6-0, 6-2.

Hamilton Richardson, the 27-year-old stocks and bonds expert, turned back Lew Gerrard of New Zealand, 6-1, 8-10, 6-2, 3-6, 6-0, and Bobby Wilson of England, seeded No. 8, vanquished Allen Fox of Beverly Hills, Calif., 7-5, 6-1, 6-2.

Vic Seixas, 37, finally came to the end of the line when he bowed to Chuck McKinley of St. Ann., Mo., 6-4, 2-6, 17-15, 6-4.

The upper bracket semi-finalists in the women's division also were settled when top-seeded Maria Bueno, the defending champion from Brazil, turned back Nancy Richey of San Angelo, Tex., 6-2, 6-4, and Christine Truman of England, ranked No. 3, whipped Mrs. Bernice Vukovich of South Africa, 6-3, 6-3.

Brown Defends In Nov. Fight

Houston, Tex., (AP) — Joe Brown will defend his world's lightweight boxing championship early in November in Los Angeles against Cisco Andrade, the 7th-ranked lightweight.

Agreement was announced by Lou Viscusi, manager of the champion, and George Parnassus, Los Angeles promotor.

Parnassus said the bout will be staged in the Los Angeles Sports Arena. He said guarantees and the date for the fight will be announced later.

Chiefs End Season In 2nd Place

(Cont. From Pg. 21)

the flag, the rest of the league race was a dandy.

The last place teams—Topeka and Des Moines tied—were only 7½ games out of second place.

Lincoln's runnerup finish was the 6th time in 14 years of pro baseball since World War II the Sherman Fielders wound up in the first division. Other years were 1948 (3rd), 1949 (1st), 1956 (1st), 1957 (1st) and 1958 (3rd).

On the individual front, Don Buford—who landed the league All Star centerfield post was the batting leader with a .298 average.

Manly (Shot) Johnson lead in home runs with 23 and runs batted in with 83, while Dean Look—who had a surprisingly strong rookie season—had the most hits with 128 the most doubles with 28 and was 3rd in RBIs with 64 and second in homers with 10.

All Star righthander Ron Woods was top pitcher with a 17-9 record. He also had the most innings pitched with 211 and the most complete games with 12. Al Brice had the most strikeouts with 191 and also the most walks with 99.

The Chiefs will now spread out over the country to await the spring call to the Chicago White Sox training camp at Hollywood, Fla.

Two Umpires Granted Leave Of Absence

Boston (AP)—American League Umpires Bill McKinley and Ed Runge, intended victims of an alleged extortion plot, Thursday were granted leaves of absence for the balance of the baseball season.

The action was taken by league president Joe Cronin upon requests from the arbiters.

Cronin said he was granting the leaves because the two men had helped authorities apprehend two men and a woman in connection with the attempted frameup and have continued to lend full assistance in the investigation.

The trio was allegedly involved in an attempted shakedown after the umpires had been photographed with two women in a Laurel, Md., motel room.

McKinley and Runge notified police after they were contacted by the men. They said they were told to pay $2,000 each under threat of damaging their reputations. The umpires later acted as bait in a trap set up by authorities.

As a result, two men and a night club dancer were arrested.

FIRM SET UP TO SELL INSURANCE TO TEACHERS

A firm organized to sell insurance and other services and items to teachers and members of the Nebraska State Education Association was incorporated Thursday.

Articles of incorporation of the firm, Neb-Tia, Inc., of Lincoln, were filed with the Nebraska secretary of state's office. The incorporators were John E. Lynch, executive secretary of the NSEA, and two other NSEA staff members, Paul Schupbach and Alberta Stack.

Lynch said the first item to be sold will be auto insurance of a type which the NSEA has for years endorsed for its members. Although the firm is authorized to issue $5,000 in capital stock, Lynch said no profits are expected as the insurance and other services are to be sold at the lowest possible cost.

Other filings, with amounts of captial stock authorized: Half Circle Cattle Co., Lakeside; Edward Herman of Lakeside and Albert T. Reddish of Alliance; $100,000.

GOP DINNER IN TEKAMAH 60TH OF YEAR

A Republican Appreciation dinner scheduled for Tekamah Thursday is the 60th GOP fund raising dinner in 1960, Republican Executive Secretary Jack Schuetz reported Thursday.

The 60th dinner, a $10-a-plate affair, was sponsored by the Burt County Republican Central Committee. Gen. Albert Wedemeyer was to be the featured speaker.

Schuetz said about 20 more dinners are scheduled. Speakers in September include Sen. Barry Goldwater and Sen. Everett M. Dirksen. Rep Walter Judd will address a $100-a-plate dinner in Omaha Sept. 29.

State Chairman Charles Thone said the GOP dinners offer Nebraskans in almost every county in the state an opportunity to invest in "sound and honest government" with a small contribution and at the same time meet with Republican leaders.

Tekamah Death Hikes Road Toll

The delayed report of an August traffic death has boosted Nebraska's 1960 highway death total to 179, compared with 231 at this time last year, Tom Ryan, director of the State Accident Records Bureau, said Thursday.

A Safety Patrol report identified the victim as Marlene Wallace Costello, 28, of Tekamah.

She was injured Aug. 21 in a two-car collision on U.S. 77 about two miles south of Homer, and died 10 days later, according to the patrol.

A baby, Louis Warner of Macy, was injured seriously in the same accident, the report said.

The Costello car was in collision with one driven by Charlie F. Morsett Jr., 21, of West Point, the report stated.

The fatality raised the August death total to 35, compared with 49 in August last year.

Typer Stresses Importance Of Setting Goals

Crete—The 89th year at Doane opened on Thursday morning with an all-college convocation and an address by President Donald M. Typer. In stressing the urgent importance of setting goals for college he said "The very fact that we face danger and uncertainty in our world is precisely the reason why we must dare to hope and to dream for the months and years ahead."

"It may seem trite," so he said, "to talk about ideals and goals when action seems to be the need of the hour, but I have never heard of the captain of a ship who throws away his chart and compass in the midst of a raging storm.

"To meet these times we must chart our course with realistic goals to include healthful living, emotional maturity, capacity to think objectively and creatively, co-operation as a way of life and a philosophy of life rooted in the Judeo-Christian tradition."

Enrollment at Doane is up by approximately 10% with a new entering class of 150 students. Fifteen states and 5 foreign countries are represented in the student body.

Orientation week was completed on Wednesday, with engineering aptitude and physical aptitude tests administered by the science and physical education departments.

Rat Control Program For State Urged

Robert E. Roselle, extension entomologist at the Nebraska College of Agriculture, says there is a need for an all-out campaign against rats in the state.

"We are currently at the peak in rat populations in Nebraska and several surrounding states," Roselle said. "This is the 3rd year in a row of high rat populations.

"The seriousness of the problem is not readily evident because rats and mice are in the fields," he said. "When harvest time approaches these rodents will return to farmsteads to feed on stored grain.

"Due to the critical shortage of storage space for the bumper milo crop this year, many farmers may decide to erect their own storage bins. If so, they should take steps to make these facilities rat proof.

"There is a need for whole communities and counties to start rat control programs," he said. "A million rats were killed in Lancaster County last year through such a program."

ORDINANCE NO. 7291

AN ORDINANCE amending Section 41-404 of The Lincoln Municipal Code of 1936, as amended by Ordinance No. 6320, passed April 2, 1956, relating to excavations in public ways, and Section 41-601 of The Lincoln Municipal Code of 1936, as amended by Ordinance No. 5322, passed August 25, 1952, relating to curb cuts; and repealing Section 41-404 of The Lincoln Municipal Code of 1936, as amended by Ordinance No. 6320, passed April 2, 1956, and Section 41-601 of The Lincoln Municipal Code of 1936, as amended by Ordinance No. 5322, passed August 25, 1952.

BE IT ORDAINED by the City Council of the City of Lincoln, Nebraska:

Section 1. That Section 41-404 of The Lincoln Municipal Code of 1936, as amended by Ordinance No. 6320, passed April 2, 1956, be and it is hereby amended to read as follows:

"41-404. EXCAVATIONS IN STREETS, ALLEYS, AND SIDEWALKS.—PERMITS. No person shall make any excavation in any paved street, alley or sidewalk or any street or alley that is surfaced with gravel or crushed stone, or remove or make any opening through any paving, concrete or other material forming in the surface of any street, alley or sidewalk or improvement thereon, without first having obtained from the Department of Public Works and Utilities a written permit to do so.

Application for such permit shall be made in writing by the person desiring the permit, upon forms furnished by the Department of Public Works and Utilities, and such application shall be duly filed and preserved by said Department. The applicant for each such permit shall pay to the Department of Public Works and Utilities the following permit fee:

For permit in street or alley pavement, as follows:

When such permit is issued within five years from the date of acceptance of the paving by the City, the sum of $10.00.

When such permit is issued more than five years after acceptance by the City, the sum of $5.00.

For permit in streets or alleys surfaced with gravel or crushed stone, the sum of $1.00.

For permit in sidewalks, the sum of $1.00.

Any person to whom a permit is granted under this section shall maintain good and sufficient barricades, guards, lights and signals so as to fully protect the public from injury or damage by reason of any excavation or opening made, and shall before commencing any such excavation, file with the City Clerk, a bond with sureties to be approved by the City Council in the sum of Fifty Thousand ($50,000.00) Dollars, which bond shall be conditioned that the applicant shall defend, save harmless, and indemnify the City of Lincoln, Nebraska, from any and all liability, claims, damages, judgments, costs and expenses of every nature and description caused by or growing out of the making of any excavation, opening, hole or trench in any street, alley or sidewalk, including the cost of refilling such excavation and replacing the surface thereof; the placing of any obstruction, barricade, material, equipment or apparatus in any street, alley or sidewalk; the failure to properly protect any excavation, opening, hole or trench in any street, alley or sidewalk; and any and all negligence on the part of the applicant in the use and occupancy of any street, alley or sidewalk in any manner or nature whatsoever; provided, however, the applicant may satisfy the foregoing requirement by depositing with the City Clerk, in lieu thereof, an insurance policy providing public liability and property damage insurance to the City of Lincoln, Nebraska, and the general public, in the amount of Fifty Thousand ($50,000.00) Dollars, executed by an insurance company authorized to do business in the State of Nebraska, when such policy of insurance has attached thereto an endorsement approved as to form and contents by the City Attorney of the City; and provided further, that when the applicant hereunder is a daily registered plumber of the City and has complied with the requirements of Section 33-315 of The Lincoln Municipal Code of 1936, then and in that event the foregoing indemnity provision shall be deemed to have been met.

It is hereby made the duty of the Department of Public Works and Utilities to cause the refilling of any excavation or opening made as hereinbefore provided in any pavement, sidewalk, or gravel or stone surfacing in any street or alley and the surfacing thereof to be replaced, and to collect the cost and expense incident thereto from the applicant."

Section 2. That Section 41-601 of The Lincoln Municipal Code of 1936, as amended by Ordinance No. 5322, passed August 25, 1952, be and it hereby is amended to read as follows:

"41-601. APPLICATION TO CUT, LOWER OR REMOVE CURB OR CURBING. It shall be unlawful for any person to cut, lower or remove any curb or curbing, or portion thereof, on a paved street or roadway in the city; provided that the Department of Public Works and Utilities may lower, cut or remove any curb or curbing upon the application of the owner of abutting property, except as hereinafter provided, for driveway purposes if the same will not interfere with proper drainage and in instances where the curb is cut, lowered or removed to accommodate a driveway located along a lot line, in order to permit a proper return for such driveway, the curb in front of the adjacent lot may be cut, lowered, or removed for a distance of not to exceed two (2) feet from the lot line extended, and such return shall not extend back from the curb line upon the parking space of such adjacent lot more than five (5) feet. Where driveways parallel along a common lot line extended, then and in that event the curb cut as required for both driveways may be, at the discretion of the Department of Public Works and Utilities made continuous. Within the congested district as defined by Section 106 of Ordinance No. 5699, commonly known as the Traffic Code as now existing or as may hereafter be amended, and on O Street there-from to 27th Street, applications must be approved by the City Council, and such curb or curbing shall not be lowered, cut or removed for a distance greater than twenty-five (25) feet in front of a single place of business or property on any single street provided, however that where a place of business or property is located on a corner, then the said curb, or curbing may be lowered, cut or removed for said distance on both streets on which said place of business or property fronts; and provided, further, that where circumstances in a particular case require that the curb or curbing be lowered, cut or removed for a greater distance than herein provided, the City Council may, in its discretion, grant said application. The applicant shall deposit with the Department of Public Works and Utilities an amount sufficient to pay the cost of necessary labor and material, and the work shall be performed by the Department of Public Works and Utilities.

Before any such application is granted, giving access to any premises located in any district other than a "A-1" Single Family Dwelling District, "A-2" Single-Family Dwelling District, "B" Two-Family Dwelling District, "C" Four-Family Dwelling District or "D" Multiple Dwelling District as defined by Ordinance No. 5636 as amended and as now existing or as may hereafter be amended, the said applicant shall agree in writing to make or allow no use of said curb cut, and it shall be unlawful for applicant to make or allow any use thereof, until he has caused the area between the curb cut from the curb line back to the abutting property line to be surfaced with concrete of not less than five inches in thickness."

Section 3. That Section 41-404 of The Lincoln Municipal Code of 1936, as amended by Ordinance No. 6320, passed April 2, 1956, and Section 41-601 of The Lincoln Municipal Code of 1936, as amended by Ordinance No. 6320, passed August 25, 1952, as hitherto existing, be and they are hereby repealed.

Section 4. This ordinance shall take effect and be in force from and after its passage and publication according to law.

Stocks Resist Further Dip

New York (AP)—The stock market resisted further sharp decline and pursued a mixed pattern featured by a renewal of speculative interest Thursday. Trading was moderate.

Gains and losses of pivotal issues went from fractions to about a point while some specially-situated stocks advanced 2 or 3 points.

The market was lower in early trading but prices, battered by two days on selling, firmed by mid session. Analysts saw no specific news to buttress market sentiment but they noted that the list was once more approaching the "triple bottom" where support has been found thrice in 1960.

Selective gains among steels, autos, utilities, chemicals, and nonferrous metals gave the market a somewhat heartier tone.

The Associated Press average of 60 stocks rose .20 to 217.00 with the industrials up .20, the rails unchanged and the utilities up .20.

The Dow Jones industrial average fell .85 to 611.42.

Of 1,210 issues traded, losers had a narrow edge over gainers, the score being 505 to 476. New highs for the year totaled 21 and new lows 52.

Volume was 2.67 million shares compared with Wednesday's 2.85 million.

American Stock Exchange prices also were mixed. Volume was 1.18 million shares compared with 1.02 Wednesday.

Corporate bonds were irregular in more active dealings. U.S. government bonds made small gains.

Bond volume rose to $4.2 billion from $3.88 billion Wednesday.

CHICAGO

Chicago (AP)—In the first setback in almost a week, the butcher hog market Thursday was steady to 25 cents lower with the decline mostly on weights over 230 lbs.

The $16.60 top, paid for a relatively few 220-240 lb. offerings, was off 15 cents from Wednesday's practical top but down 40 cents from the extreme high. Other lots of 200-220 lb. mixed 1-2 and 220-280 lb. mixed 1-3 grades cleared at $16.25 and up. Some 200-280 lb. 2-3 grades went at $16-16.25. Sows were unchanged at $12.75-15.25.

The few slaughter steers and heifers on sale brought steady prices in the usually slow Thursday market. Steers grading high choice to mixed choice and prime sold at $25.25-26.50, the good to average choice at $22-25.25.

Heifers cleared at $20.50-23.75 for good and choice grades.

Vealers were steady, bulls strong to 50 cents higher. Vealers were $22-25, utility and commercial bulls $16.50-20.

All classes were steady in a thin sheep trade with choice to prime grade spring slaughter lambs bringing $19-20.75 and mixed good and choice $17-18.50. Ewes topped at $4.50.

Trimester Plan Suggested

Wayne (AP)— President W. A. Brandenburg has proposed that a trimester calendar be considered at Wayne State College, with a possible starting date as September next year.

The state normal board would need to approve the plan to have 3 terms of about 16 weeks each in place of the traditional two semester calendar of 18 weeks each plus summer school.

"This college has a physical plant with value in excess of $12 million," he said. "Unlike many colleges, we are already using it in all 12 months of the year, but the question must be asked: 'Is fuller use of the plant possible?' "

He expressed belief that a trimester calendar would increase plant utilization by at least 25% over that possible under the present calendar.

Six Charged After Raid At 3800 So. 14th

A raid by state liquor agents and Lincoln police early Wednesday morning at Christy's Chicken Little Inn at 3800 So. 14th resulted in charges being filed against 6 persons Thursday in Municipal Court.

Christine Jacobs, 52, of 1412 B, pleaded innocent to illegally selling liquor, illegally taking an order for liquor, illegally having liquor in her possession, permitting a building to be used as a nuisance and to selling liquor without a license. Her trial was set for Sept. 27 and appearance bond was set at $200.

Nelda Rothwell, 37, of 2255 Sewell, pleaded innocent to illegally taking an order for liquor and her trial also was set for Sept. 27.

Police said Mrs. Jacobs is operator of the inn and Mrs. Rothwell is a waitress there.

Others Charged

Four men present in the inn when it was raided also were charged and all are scheduled to be arraigned Friday.

Charged with illegally consuming liquor in a public place are Kenneth Loos, 24, of 2757 So. 11th and Donald E. Finn, 31, of the Lincoln Air Force Base.

Also charged with this offense and also with illegal possession of liquor are Mrs. Rothwell's husband, John, 43, and Delbert Theasmeyer, 31, of 810 Sumner.

Police said the state liquor agents had purchased mixed drinks at the inn during a visit prior to the raid. Several bottles of liquor were confiscated.

Spear Favored

Omaha (AP) — The Omaha housing authority Thursday voted to appoint Claude F. Spear as its executive director. Spear is a former member of the authority. The job pays $786 a month.

Landmark Razed For NSEA Center

Another of the old mansions located on a lot which was part of Lincoln's original platting is being razed to make room for a new structure to complement the State Capitol in architectural design.

The house, located at 605 So. 14th, which was built in 1911 by Mrs. Anna Jones Ganter, will be replaced by the new $500,000 headquarters of the Nebraska State Education Assn.

Mrs. Ganter was the wife of Theodore S. Ganter, a wealthy and prominent real estate dealer who came to Lincoln as a German immigrant, according to the State Historical Society.

The 3-floor brick structure, purchased 29 years ago by the NSEA from Alexander Legge, will be replaced by a 4-story building, expected to be completed by early 1962, officials said.

Temporary NSEA offices are at 1231 F.
